LRA Send iT MV3 MLoc Mount Assembly Safety Instruction Guide

Introduction

Thank you for choosing the LRA Send iT MV3 MLoc Mount Assembly. This guide provides important safety information, installation instructions, and tips for optimal use to ensure a safe and enjoyable experience with your product. Please read this guide carefully before using the mount.

General Safety Guidelines

To ensure the safe use of the LRA Send iT MV3 MLoc Mount Assembly, please adhere to the following guidelines:

- Ensure that the mount is installed correctly to avoid accidents during use.
- Regularly inspect the mount for any signs of wear or damage.
- Always use the mount as intended, following the manufacturer's specifications.
- Keep the mount and its components out of reach of children and vulnerable individuals.
- In case of any malfunction or if you notice any unsafe conditions, cease use immediately and report it.

Specific Safety Precautions for Use

When using the LRA Send iT MV3 MLoc Mount Assembly, consider the following precautions:

- **Installation Safety:** Ensure that the mount is securely attached to your MLOKcompatible system before use.
- **Weight Limit:** Be aware of the weight limit of the mount. Exceeding this limit may lead to failure and cause injury.
- **Environmental Conditions:** Avoid using the mount in extreme conditions that may affect its performance, such as excessive moisture or extreme temperatures.
- **Accessory Compatibility:** Only use accessories that are compatible with the mount to prevent accidents or damage.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the LRA Send iT MV3 MLoc Mount Assembly:

1. Gather Required Tools:

- 832 and 1024 screws (included)
- A compatible tool for securing screws (not included)

2. Installation Steps:

- Identify the location on your MLOKcompatible system where you wish to attach the mount.
- Align the MLOK nut with the slot on the rail.
- Insert the mount into the MLOK slot and slide it until it is firmly in place.
- Secure the mount using the appropriate screws (832 or 1024) and ensure they are tightened adequately.

3. Usage Instructions:

- Once installed, attach your accessories (e.g., bipods, grips, lights) to the mount.
- Ensure all accessories are securely fastened before use.
- Regularly check the mount and accessories for tightness and security during use.

Disposal Instructions

When the LRA Send iT MV3 MLok Mount Assembly reaches the end of its life, please dispose of it responsibly:

- Follow local regulations for disposal of nonfood products.
- If possible, recycle any metal components.
- Do not dispose of the mount in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact information included with your product packaging.

Conclusion

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with your LRA Send iT MV3 MLok Mount Assembly. Thank you for your attention to safety, and enjoy using your new mount!
