

Exo Mag - 10 Rounds (Ejectorless Version)

The MEAN ExoMag is designed to be the most reliable and best feeding 9mm magazine for use with a standard AR lower. The ExoMag has a STANAG magazine outer shape. Add the 9mm upper of your choosing to function with a Glock or Colt variant 9mm BCG. We offer both a version with an EJECTOR (for standard blowback bolts) and an EJECTORLESS version (for our Bearing Delay and CMMG Radial Delay systems). All ExoMag models include the last round bolt-hold open feature, as any AR-15 should.

Bearing Delay Upper owners: Customers with the Bearing Delay system should select the "Ejectorless" option in the "ExoMag Package Selection" option above.

CMMG Radial Delay owners: If you have a CMMG Radial Delay firearm, select the "Ejectorless" option in the "ExoMag Package Selection" option above.

ExoMag features:

- Facilitates quick and easy caliber change from .223/5.56 to 9mm
- Functions as a magazine!
- No magwell adapter needed!
- Keep your standard 5.56 Multi Caliber lower receiver!
- Comes fully assembled.
- No tools required.

Build and maintain your muscle-memory for reloads and other training from your 5.56 firearms! Same STANAG magazine, same draw, same feel.

No learning curve when reloading because it is the same magazine you already use!

Use most of your STANAG mag accessories: i.e. mag pouches, storage racks, decals, caliber indicators, etc.

Not a picky eater. Shoots all 9mm ammo - hollow points included.

Key Functions

- No modifications to your 5.56x45 lower receiver! Changing calibers is now simply a complete 9mm upper for your AR platform. No nuts, no bolts, no drilling, no bull.
- Last round bolt-hold open feature, just as an AR-15 should function.
- Built-in ejector designed to perform under intense conditions.
- Specially formulated polymer.
- Magazine is 5.60" tall.

Exo Mag 10 Rounds (Ejectorless Version) Safety Instructions

Introduction

Thank you for choosing the MEAN Exo Mag 10 Rounds (Ejectorless Version). This product is designed to provide reliable performance and ease of use with your AR platform. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure safe handling of the Exo Mag by following these guidelines:
 - Always treat every firearm as if it is loaded.
 - Store your magazine and firearm in a secure location, away from unauthorized access, especially from children.
 - Use only compatible 9mm ammunition with the Exo Mag.
 - Regularly inspect your magazine for any signs of wear or damage before use.
 - Follow all local laws and regulations regarding firearms and ammunition.

Specific Safety Precautions for Use

- When using the Exo Mag, please observe the following precautions:
 - Always wear appropriate eye and ear protection when shooting.
 - Avoid using the magazine in adverse weather conditions that may affect its performance.
 - Do not attempt to modify or disassemble the magazine.
 - Ensure that the magazine is fully seated in the firearm before firing.
 - Do not exceed the magazine's capacity; only load the specified number of rounds.
 - Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

- Follow these steps to ensure proper installation and usage of the Exo Mag:

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Insert the Exo Mag into the magazine well of your AR lower until it clicks into place.
- Confirm that the magazine is securely attached and does not wobble.

2. Loading:

- Hold the magazine with the feed lips facing upwards.
- Load 9mm ammunition into the magazine, ensuring rounds are seated properly.
- Do not exceed the magazine's capacity of 10 rounds.

3. Using the Firearm:

- With the magazine loaded, insert it into the firearm.
- Pull the charging handle to chamber a round.
- Aim safely and fire as intended.

4. Unloading:

- To unload, remove the magazine from the firearm.
- Ensure the firearm is pointed in a safe direction and pull the trigger to release any chambered round.
- Remove any remaining rounds from the magazine.

Disposal Instructions

- Dispose of the Exo Mag responsibly:
 - If the magazine is damaged or no longer functional, do not attempt to repair it.
 - Contact local waste management services for guidance on disposing of polymer materials.
 - Ensure that the magazine is rendered unusable before disposal.
