[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Adapter](#)

The MDT LSS GEN3 Buttstock Interface is your key to ultimate modularity. Designed specifically for the LSS GEN3 chassis, this interface lets you easily attach the buttstock that best fits your needs—whether it's for competition, hunting, or tactical applications. Built from high-strength materials for rugged reliability, the interface ensures a rock-solid connection between your chassis and your chosen stock. Swap styles, improve ergonomics, and fine-tune your rifle's balance with ease. Supporting both Fixed and Carbine buttstocks, the LSS GEN3 Buttstock Interface gives you the freedom to adapt your rifle as your shooting needs evolve.

Safety Instruction Guide for LSS Gen3 Interface MDT Accessories

Introduction

Thank you for choosing the LSS Gen3 Interface MDT Accessories. This guide provides essential safety instructions to ensure the safe and effective use of the LSS Gen3 Buttstock Interface. Please read this guide carefully before installation and usage to avoid any potential hazards.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the product is used only for its intended purpose.
- Regularly inspect the product for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- In case of product malfunction or damage, cease use immediately and seek assistance.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The LSS Gen3 Buttstock Interface is designed for adult users. Ensure that it is not used by individuals under the age of 18 without proper supervision.
- Always ensure that the connection between the chassis and the buttstock is secure before use.
- Do not exceed the manufacturer's weight recommendations for attachments.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Always wear appropriate safety gear when using firearms.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that you have all necessary tools and components before starting the installation.
2. **Remove Existing Buttstock:** If applicable, safely detach the existing buttstock from your rifle chassis.
3. **Align the Interface:** Position the LSS Gen3 Buttstock Interface onto the chassis, ensuring proper alignment with mounting points.
4. **Secure the Interface:** Use the provided screws to securely attach the interface to the chassis. Ensure that all screws are tightened to prevent movement.
5. **Attach Buttstock:** Select the buttstock of your choice (Fixed or Carbine) and attach it to the interface. Ensure a tight fit and secure connection.
6. **Final Inspection:** Doublecheck all connections and ensure that the interface and buttstock are securely attached before use.

Usage

- Before each use, inspect the interface and buttstock for any signs of wear or damage.
- Ensure that the rifle is in a safe condition before handling.
- Familiarize yourself with the adjustments available on the buttstock to optimize comfort and performance.
- Practice safe handling and storage of the rifle when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and nonfood product waste.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling center.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to your local distributor or visit the manufacturer's website for support. Always keep your purchase receipt for warranty and support purposes.

Thank you for your attention to these safety guidelines. Enjoy your experience with the LSS Gen3 Interface MDT Accessories responsibly and safely.
