

LSS Gen3 Interface - MDT Accessories - LSS Gen3 - Carbine Interface - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Adapter](#)

The MDT LSS GEN3 Buttstock Interface is your key to ultimate modularity. Designed specifically for the LSS GEN3 chassis, this interface lets you easily attach the buttstock that best fits your needs—whether it's for competition, hunting, or tactical applications. Built from high-strength materials for rugged reliability, the interface ensures a rock-solid connection between your chassis and your chosen stock. Swap styles, improve ergonomics, and fine-tune your rifle's balance with ease. Supporting both Fixed and Carbine buttstocks, the LSS GEN3 Buttstock Interface gives you the freedom to adapt your rifle as your shooting needs evolve.

Safety Instruction Guide for LSS Gen3 Interface MDT Accessories

Introduction

Thank you for choosing the LSS Gen3 Interface MDT Accessories. This guide provides essential safety information and instructions for the safe use, installation, and disposal of this product. Please read this guide thoroughly before using the product to ensure a safe and satisfactory experience.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always inspect the product for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals who may not understand its use.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls or safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the LSS Gen3 Interface only with compatible buttstocks as specified by the manufacturer.
- Ensure that the interface is securely attached to the chassis before use to prevent accidental disconnection.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Do not modify the product in any way that is not recommended by the manufacturer.
- Always wear appropriate safety gear when handling firearms, including eye and ear protection.
- Regularly check for wear and tear on the interface and buttstock connection to maintain safety and reliability.

Instructions for Installation and Usage

Installation Instructions

1. Preparation

- Gather all necessary tools and components for installation.
- Ensure that the work area is clean and free of obstructions.

2. Attaching the Interface

- Align the LSS Gen3 Buttstock Interface with the designated mounting point on the LSS Gen3 chassis.
- Secure the interface using the provided screws or fasteners, ensuring they are tightened to the manufacturer's specifications.

3. Attaching the Buttstock

- Select the appropriate buttstock (Fixed or Carbine) that meets your needs.
- Align the buttstock with the interface and slide it into position.
- Secure the buttstock according to the manufacturer's instructions, ensuring a tight fit.

4. Final Checks

- Once installed, check all connections to ensure there are no loose parts.

- Perform a function test by gently pulling on the buttstock to confirm it is secure.

Usage Instructions

- Use the product in accordance with the guidelines provided in this manual.
- Regularly inspect the interface and buttstock connection during use to ensure secure attachment.
- If you experience any issues during operation, cease use immediately and consult the troubleshooting section of the product manual or contact support.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety or product issues, please contact the manufacturer directly through the provided contact points included with your product packaging.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your LSS Gen3 Interface MDT Accessories. Thank you for your attention to safety.
