

HYPER BRIGHT FIXED PISTOL GLOCK - MEPRO HYPER-BRIGHT™ CO-WITNESS GLOCK STANDAND FRAME-GREEN RING

The Meprolight Hyper-Bright™ sights are engineered for rapid target acquisition in all lighting conditions. Featuring a high-contrast colored front sight ring—available in orange, green, or yellow—paired with premium Swiss-made tritium vials, these sights ensure visibility from bright daylight to complete darkness.

Key Features:

- High-Contrast Front Sight Ring: Enhances daytime visibility for quicker target acquisition.
- Tritium Illumination: Green tritium vials in both front and rear sights provide consistent glow in low-light and no-light scenarios.
- U-Notch Rear Sight Design: Directs the shooter's focus to the front sight, facilitating faster alignment.
- Durable Construction: Made from rugged steel with a snag-free profile, ensuring reliability and ease of draw.
- Maintenance-Free: No batteries required; always on and ready for use.

HYPER BRIGHT FIXED PISTOL GLOCK MEPRO HYPERBRIGHT™ COWITNESS GLOCK STANDARD FRAMEGREEN RING Safety Instructions

Introduction

Thank you for choosing the Meprolight HyperBright™ sights for your Glock firearm. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the area around you is safe and free from obstructions before using your firearm.
- Store your firearm and sights in a secure location, away from children and unauthorized users.
- Regularly inspect your sights and firearm to ensure they are in good working condition.

Specific Safety Precautions for Use

- Use only on Glock models specified by the manufacturer.
- Ensure that the sights are properly installed and securely attached before use.
- Do not attempt to modify or disassemble the sights.
- Avoid exposing the sights to extreme temperatures or harsh chemicals.
- If the sights become damaged or malfunction, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from your Glock according to the manufacturer's instructions.
- Align the Meprolight HyperBright™ sights with the mounting points on the Glock.
- Securely fasten the sights using the provided screws, ensuring they are tightened to the manufacturer's specifications.

2. Usage

- Familiarize yourself with the sight alignment and how to acquire targets quickly.
- Use the highcontrast front sight ring for improved visibility in various lighting conditions.
- Practice regularly to enhance your proficiency with the sights.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- If the product contains any hazardous materials, follow specific disposal guidelines for those materials.

Contact Information for Further Support

For any inquiries or concerns regarding the Meprolight HyperBright™ sights, please refer to the manufacturer's website or contact their customer support team directly.

By following these guidelines, you can ensure a safer experience while using your Meprolight HyperBright™ sights. Always prioritize safety and responsible firearm handling.
