

LSS Gen3 Kit LA - MDT Chassis - LSS Gen3 System - Howa 1500 - LA - RH - Worker - BLK

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

Safety Instruction Guide for LSS Gen3 Kit LA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit LA MDT Chassis. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the chassis to understand the safety precautions and proper usage.

General Safety Guidelines

- Always handle the chassis with care to prevent injury or damage.
- Ensure that the chassis is used in a safe environment, free of hazards.
- Keep the chassis out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, such as eye protection and gloves, when handling the chassis.
- **Proper Handling:** Use both hands when lifting or moving the chassis to avoid dropping it.
- **Firearm Safety:** Always follow local laws and regulations regarding firearm safety and handling.
- **Temperature Sensitivity:** Be cautious of extreme temperatures that may affect the materials of the chassis.
- **Compatibility Checks:** Ensure that the chassis is compatible with your firearm before installation.
- **Secure Storage:** Store the chassis in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

1. Unboxing:

- Carefully remove the chassis from the packaging.
- Inspect the contents for any visible damage or missing parts.

2. Installation:

- Ensure the firearm is unloaded before beginning the installation.
- Follow the manufacturer's instructions for attaching the chassis to the Howa 1500 rifle.
- Tighten all screws and fasteners securely but avoid overtightening.

3. Usage:

- Familiarize yourself with the operation of the chassis before use.
- Practice safe handling procedures while using the chassis in the field.
- Adjust the buttstock and forend to fit your personal preference for comfort and control.

4. Maintenance:

- Regularly clean the chassis according to the manufacturer's recommendations.
- Check for any loose components or signs of wear after each use.

Disposal Instructions

- Dispose of the chassis responsibly in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Contact local waste management authorities for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding safety or product usage, please reach out to your local retailer or the manufacturer directly. They can provide you with the necessary support and information.

By following these guidelines, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit LA MDT Chassis. Thank you for your attention to safety.
