

# Mil Spec Compass Lever Takedown Screw - Marlin Mil-Spec Compass Lever Screw

[Rifle Parts](#) > [Stock Parts](#)

The Lever Takedown Screw with an integrated Military Special Forces Survival Compass combines functionality and precision for outdoor and survival enthusiasts. Perfect for hunters, adventurers, and shooters who value compact, reliable tools.

Features:

Material: Screw made from CNC-machined, black-nitrided aluminum—scratch-resistant and highly durable.

Compass: High-quality, military-grade brass compass, epoxy-sealed for maximum durability.

Thread: Marlin-specific thread (0.210-28). Not compatible with Henry, 1854, Rossi, Winchester, or Mossberg rifles.

Function: Magnetic compass—must be removed from the rifle for accurate readings.

# Mil Spec Compass Lever Takedown Screw Safety Instruction Guide

## Introduction

Thank you for choosing the Mil Spec Compass Lever Takedown Screw. This product combines a reliable takedown screw with a highquality militarygrade compass, designed for outdoor and survival enthusiasts. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the guidelines provided in this manual.
- Regularly inspect the screw and compass for any signs of wear or damage before each use.
- Store the product in a dry and safe place when not in use to avoid damage.
- Be aware that the magnetic compass must be removed from the rifle for accurate readings.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- The product is not compatible with Henry, 1854, Rossi, Winchester, or Mossberg rifles. Ensure compatibility with your firearm before use.
- Keep the compass away from magnetic fields or electronic devices to avoid inaccurate readings.
- Do not attempt to modify or alter the product in any way, as this may compromise safety and functionality.
- Use caution when handling firearms and ensure that they are unloaded when installing or removing the takedown screw.
- Always supervise children when they are near firearms or firearm accessories.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing takedown screw from the rifle.
- Insert the Mil Spec Compass Lever Takedown Screw into the designated area.
- Tighten the screw securely, ensuring it is properly fitted but not overtightened.
- Check that the compass is securely attached and functioning correctly.

### 2. Usage:

- To use the compass, remove it from the rifle and hold it level.
- Allow the compass needle to stabilize before taking a reading.
- Use the compass to navigate or determine direction as needed.
- After use, reattach the compass to the takedown screw for safe storage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal products.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum components where facilities are available.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please contact the manufacturer's customer service or visit their official website. Ensure you have your product details available for reference.

By following these guidelines, you can ensure the safe and effective use of your Mil Spec Compass Lever Takedown Screw. Thank you for your attention to safety!
