

ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen 2 - CZ 457 - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your CZ 457 rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always handle firearms and associated equipment with care and responsibility.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Regularly inspect your chassis for signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on any recall notices related to your product via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the chassis.
- Use appropriate protective gear such as safety glasses and ear protection when shooting.
- Avoid using the chassis in adverse weather conditions that may affect its performance or safety.
- Never exceed the manufacturer's recommended specifications for weight and accessories.
- Be aware of your surroundings and ensure a safe shooting environment before firing your weapon.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Ensure you are in a clean, dry area with ample space to work.
2. **Gather Tools:** You will need a screwdriver suitable for the screws provided with your chassis.
3. **Remove the Action:** Carefully detach the action from your CZ 457 rifle according to the manufacturer's instructions.
4. **Insert the Action into the Chassis:**
 - Align the action with the precision VBlock bedding in the chassis.
 - Ensure that the action is seated properly in the Vshaped block.
5. **Secure the Action:**
 - Tighten the two screws provided with the chassis to secure the action in place.
 - Ensure that the screws are tightened firmly but do not overtighten to avoid damage.
6. **Attach Accessories:** If desired, attach bipods or tripods to the integrated ARCA rail for stability.

Usage

- Always check that the rifle is unloaded before handling.
- When shooting, ensure that you are in a stable and secure position.
- Adjust your shooting position as necessary to maintain a safe and effective shooting stance.
- Regularly check the chassis and attached accessories for stability and security during use.

Disposal Instructions

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.

- Consider recycling options for metal and plastic components where applicable.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the ACC Premier Gen 2 MDT Chassis, please refer to the manufacturer's website or contact their customer support directly.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we wish you a safe and enjoyable shooting experience with your new chassis.
