

ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen 2 - CZ 457 - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your CZ 457 rifle. This guide provides important safety information, installation instructions, and usage guidelines to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure safe use of the chassis by following all instructions provided in this guide.
- Always handle firearms with care and follow local laws and regulations regarding firearm use.
- Keep the chassis and all related equipment out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Do not modify the chassis or any components without consulting a qualified professional.
- Report any unsafe products or accidents to local authorities as required by law.

Specific Safety Precautions for Use

- Before using the chassis, ensure that it is securely attached to your rifle.
- Always check that the rifle is unloaded before installing or removing the chassis.
- Use appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you have a clear shooting area.
- Do not exceed the manufacturer's recommended weight limits when adding accessories to the chassis.
- Ensure that the bipod and tripod attachments are secure before use.

Instructions for Installation and Usage

1. Installation of the Chassis

- Ensure that you have all necessary tools ready, including a screwdriver.
- Remove the action from your CZ 457 rifle according to the manufacturer's instructions.
- Place the action into the MDT ACC Premier Gen 2 Chassis.
- Align the action with the precision VBlock bedding to ensure a secure fit.
- Tighten the two screws provided to secure the action in place. Ensure they are snug but do not overtighten.
- Reinstall any additional components as necessary.

2. Usage of the Chassis

- Once installed, check the chassis for stability before firing.
- Adjust the forend and integrated ARCA rail to your desired shooting position.
- Use the chassis in a safe environment, following all general safety guidelines.
- Regularly check the tightness of screws and the overall condition of the chassis before each use.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations concerning electronic and nonelectronic waste.
- If the chassis is damaged beyond repair, consider recycling materials where applicable.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the ACC Premier Gen 2 MDT Chassis, please consult the manufacturer or authorized dealer for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your ACC Premier Gen 2 MDT Chassis.
