

ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen 2 - Howa 1500 - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

Safety Instruction Guide for the ACC Premier Gen 2 MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Howa 1500 rifle. This guide provides essential safety instructions and information to ensure safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that all safety guidelines are followed to prevent accidents and injuries.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store your rifle and chassis in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your chassis and firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using your firearm.
- Use only compatible components with your ACC Premier Gen 2 MDT Chassis to avoid malfunctions.
- Be aware of your surroundings and ensure that there are no people or animals in the vicinity when shooting.
- Do not exceed the recommended barrel length of 17 inches for optimal performance.
- Avoid using the chassis in adverse weather conditions that may affect your grip or visibility.
- Ensure that the rifle is securely mounted in the chassis before use to prevent accidents.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Ensure you have a clean, flat surface to work on. Gather all necessary tools, including a screwdriver.
2. **Remove the Action:** Carefully detach the action from your Howa 1500 rifle according to the manufacturer's instructions.
3. **Install the Action:**
 - Place the action into the ACC Premier Gen 2 MDT Chassis.
 - Align the action with the precision VBlock bedding for proper fit.
4. **Secure the Action:**
 - Tighten the two screws provided to secure the action in place.
 - Ensure that the action is firmly seated and does not shift.
5. **Attach Accessories:** If desired, attach compatible bipods or tripods to the integrated ARCA rail for stability.
6. **Final Inspection:** Doublecheck all connections and ensure everything is secure before use.

Usage

- Once installed, take time to familiarize yourself with the chassis and its features.
- Practice shooting in a safe environment to build confidence and proficiency with your setup.
- Regularly check the tightness of screws and the overall condition of the chassis during use.

Disposal Instructions

- Dispose of your ACC Premier Gen 2 MDT Chassis responsibly at a designated recycling or waste facility.
- Ensure that any components that can be recycled are separated from nonrecyclable materials.
- Follow local regulations regarding the disposal of firearms and firearm accessories.

Contact Information for Further Support

For any questions or concerns regarding the ACC Premier Gen 2 MDT Chassis, please refer to your local dealer or the manufacturer's website for additional support and resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 MDT Chassis. Thank you for prioritizing safety and responsibility in your shooting activities.
