

ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen 2 - Remington 700 - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Remington 700 rifle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always handle your firearm responsibly and in accordance with local laws and regulations.
- Ensure that the product is used only for its intended purpose as a chassis for the Remington 700 rifle.
- Keep the chassis and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage prior to use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the chassis.
- Avoid using the chassis in adverse weather conditions that may affect performance or safety.
- Do not exceed the manufacturer's recommended specifications for weight and balance when adding accessories.
- Always use proper shooting techniques and maintain awareness of your surroundings while operating your firearm.
- Use appropriate eye and ear protection while shooting.

Instructions for Installation and Usage

1. Installation

- Ensure that the rifle is completely unloaded.
- Place the chassis on a stable surface.
- Drop your action into the chassis.
- Tighten the two screws securely to ensure that the action is firmly in place.
- Check that the action is secure and does not move.

2. Usage

- Attach any desired bipods or tripods to the integrated ARCA rail for stability.
- Adjust your shooting position for comfort and accuracy.
- Regularly check the tightness of screws and the stability of attachments during use.

Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consider recycling options available in your area.

Contact Information for Further Support

For any safety inquiries or additional support regarding your ACC Premier Gen 2 MDT Chassis, please refer to

the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 MDT Chassis. Always prioritize safety and responsible use. Thank you for your attention.
