

ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen 2 - Savage - SA - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Savage rifle. This guide provides essential safety information, installation instructions, and usage guidelines to ensure a safe and enjoyable experience. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rifle chassis.
- Always handle firearms and accessories with care, following standard firearm safety protocols.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear, damage, or malfunction.
- If you experience any issues with the chassis, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the manufacturer's recommended weight limits for attachments and accessories.
- **Proper Fit:** Ensure that your action is properly fitted and secured within the chassis to prevent movement during use.
- **Use in Safe Environments:** Only use the chassis in designated shooting areas that comply with local regulations.
- **Wear Protective Gear:** Always wear appropriate eye and ear protection when using firearms.
- **Check Local Laws:** Be aware of and comply with all local laws and regulations regarding firearm use and accessories.

Instructions for Installation and Usage

Installation

1. Gather Tools:

- Ensure you have the necessary tools, including a screwdriver for tightening screws.

2. Prepare the Chassis:

- Remove the chassis from its packaging and inspect it for any damage.

3. Insert the Action:

- Carefully drop your firearm action into the chassis, ensuring proper alignment.

4. Secure the Action:

- Tighten the two screws provided to secure the action firmly in place. Ensure they are snug but do not overtighten.

5. Attach Accessories:

- If using a bipod or tripod, attach them to the integrated ARCA rail for stability.

6. Check Stability:

- Before use, check that the action is secure and that there is no movement.

Usage

- Always ensure that the firearm is unloaded before installation or adjustment.
- When shooting, maintain a firm grip on the chassis and ensure it is stable against your shooting position.
- Regularly check the tightness of the screws and the overall stability of the chassis during use.

Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste. Check for local recycling programs or hazardous waste disposal options.
- If the chassis is damaged beyond repair, ensure it is disposed of in a safe manner to prevent injury.

Contact Information for Further Support

For safety inquiries or further assistance, please contact your local retailer or the manufacturer directly. Ensure that you have the product information available when seeking support.

By following these guidelines, you can ensure a safe and effective experience with your ACC Premier Gen 2 MDT Chassis. Thank you for your attention to safety, and enjoy your shooting experience!
