

# ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen 2 - Savage - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

# Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that you follow all safety guidelines when using the ACC Premier Gen 2 MDT Chassis.
- Always treat firearms as if they are loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store your firearm and chassis in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your equipment for wear or damage before use.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Be aware of your surroundings and ensure that the area is safe for shooting.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- The ACC Premier Gen 2 MDT Chassis is designed for use with Savage rifles. Ensure compatibility before installation.
- Do not exceed the manufacturer's specifications for weight and balance when adding weight kits.
- Avoid using the chassis in extreme weather conditions that may affect its performance.
- Always ensure that the action is securely installed in the chassis before use.
- Be cautious when tightening screws to avoid overtightening, which may damage the chassis or action.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the equipment.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Ensure that the workspace is clean and free of obstructions.
- Place the ACC Premier Gen 2 MDT Chassis on a flat surface.
- Remove the action from your Savage rifle according to the manufacturer's instructions.
- Drop the action into the chassis, ensuring it fits securely.
- Tighten the two screws provided to secure the action in place. Do not overtighten.
- If using weight kits, follow the manufacturer's instructions to balance your rifle.

### 2. Usage Guidelines:

- Once installed, check the stability of the chassis by gently shaking it. It should remain secure.
- When shooting, adopt a stable shooting position to minimize movement.
- Ensure the ARCA rail is compatible with your bipod or tripod before use.
- Regularly check the tightness of the screws and the condition of the chassis during use.

## Disposal Instructions

- When disposing of the ACC Premier Gen 2 MDT Chassis, follow local regulations for the disposal of nonhazardous materials.
- If the chassis is damaged beyond repair, recycle it if possible, or dispose of it in a manner that is

environmentally responsible.

- Do not dispose of the chassis in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or installation, please contact the manufacturer directly or refer to the product's official website for further assistance. Always ensure you have the latest information regarding safety recalls and product updates.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 MDT Chassis. Thank you for your attention to safety, and happy shooting!
