

ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen2 - Ruger 10-22 - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

ACC Premier Gen 2 MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Ruger 1022. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding firearm use and modifications.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your chassis and firearm securely, away from unauthorized access, especially by children.
- Regularly inspect your chassis for any signs of wear or damage before each use.
- Do not exceed the manufacturer's specifications for weight or modifications.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using your firearm.
- Ensure that your shooting area is clear of obstructions and bystanders.
- Be aware of your surroundings and ensure a safe backstop is in place when shooting.
- Avoid using the chassis in wet or humid conditions to prevent corrosion.
- Do not attempt to modify the chassis beyond its intended use as specified by the manufacturer.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure you have all necessary tools, including a screwdriver for tightening screws.
- Clear your workspace and ensure it is well lit.

2. Chassis Installation:

- Remove your action from the original stock according to the manufacturer's instructions.
- Place the action into the MDT ACC Premier Gen 2 Chassis.
- Align the action with the precision VBlock bedding to ensure a snug fit.
- Tighten the two screws provided to secure the action in place. Ensure they are tightened adequately but do not overtighten.

3. Weight Kit Installation (Optional):

- If desired, install MDT's weight kits to adjust the balance of your rifle.
- Follow the instructions provided with the weight kits for proper installation.

Usage

- Once installed, familiarize yourself with the chassis and its features.
- Use the fulllength integrated ARCA rail for attaching bipods or tripods for stability.
- Practice shooting in a safe environment to become accustomed to the chassis's handling and performance.

Disposal Instructions

- Dispose of the chassis and any related components in accordance with local regulations.
- Do not dispose of in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the manufacturer's contact information provided with your product packaging. Always ensure that you have access to reliable support for any questions or concerns regarding the safe use of your chassis.

By following these guidelines, you can ensure the safe and effective use of your ACC Premier Gen 2 MDT Chassis. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important safety instructions.
