

# ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen2 - Ruger 10-22 - RH - CCG - Volquartsen

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

# ACC Premier Gen 2 MDT Chassis Safety Instructions

## Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Ruger 1022. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand the proper use, installation, and maintenance of the chassis.

## General Safety Guidelines

To ensure safe use of the ACC Premier Gen 2 MDT Chassis, please follow these general safety guidelines:

- Ensure that the chassis is compatible with your firearm model before installation.
- Always handle your firearm and chassis with care, treating every firearm as if it is loaded.
- Keep the chassis and firearm out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

When using the ACC Premier Gen 2 MDT Chassis, please observe the following safety precautions:

- Always ensure that the firearm is unloaded before installing or adjusting the chassis.
- Use the chassis only with the recommended firearm model (Ruger 1022).
- Do not exceed the weight limit specified for attachments such as bipods and tripods.
- Avoid using the chassis in environments where it may be exposed to extreme temperatures or moisture.
- Be aware of your surroundings and ensure a safe shooting area before firing your firearm.

## Instructions for Installation and Usage

Follow these stepbystep instructions for the installation and usage of your ACC Premier Gen 2 MDT Chassis:

### 1. Installation:

- Ensure your firearm is unloaded.
- Remove the existing stock from your Ruger 1022.
- Align the action of your rifle with the VBlock bedding in the chassis.
- Carefully drop the action into the chassis.
- Tighten the two screws provided to secure the action in place.
- Attach any accessories such as bipods or tripods to the integrated ARCA rail as needed.

### 2. Usage:

- After installation, check that all screws are tightened and the action is secure.
- Adjust the chassis to your desired shooting position.
- Practice safe shooting habits, including proper stance and target awareness.
- Regularly check the stability of the chassis during use, especially after repeated firing sessions.

## Disposal Instructions

When it is time to dispose of your ACC Premier Gen 2 MDT Chassis, please follow these guidelines:

- Do not dispose of the chassis in regular household waste.
- Check local regulations for proper disposal methods for firearm accessories.
- Consider recycling parts of the chassis where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACC Premier Gen 2 MDT Chassis, please refer to the manufacturer's customer service resources or your local dealer for assistance.

Thank you for prioritizing safety while enjoying your shooting experience with the ACC Premier Gen 2 MDT Chassis.
