

ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen2 - Ruger American - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

ACC Premier Gen 2 MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Ruger American rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always treat the chassis and rifle as if they are loaded.
- Ensure that the rifle is pointed in a safe direction at all times.
- Use eye and ear protection when handling or shooting the rifle.
- Store the chassis and rifle in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm safety and usage.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure that you are in a welllit area and have sufficient space to work.
 - Use appropriate tools and wear safety gloves to protect your hands during installation.
- **Handling:**
 - Avoid placing your fingers on the trigger until you are ready to shoot.
 - Do not attempt to modify or alter the chassis in any way that could compromise its integrity or safety.
- **Shooting Position:**
 - Always ensure a stable shooting position when using the chassis, whether from a bench, prone, or standing position.
 - Be aware of your surroundings and ensure that the area is clear of bystanders before firing.
- **Maintenance:**
 - Clean the chassis regularly to maintain optimal performance.
 - Do not use harsh chemicals or abrasive materials that could damage the chassis finish.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the Ruger American rifle.
- Align the action of the rifle with the VBlock bedding in the MDT chassis.
- Carefully drop the action into the chassis.
- Tighten the two screws provided to secure the action in place. Ensure they are snug but do not overtighten.

2. Usage:

- After installation, check that the rifle is securely mounted in the chassis.
- Attach any bipods or tripods to the integrated ARCA rail as needed.
- Adjust your shooting position to ensure comfort and stability.
- Always follow safe shooting practices as outlined in the General Safety Guidelines.

Disposal Instructions

- The chassis is made of durable materials that may not be biodegradable.
- Dispose of the chassis in accordance with local regulations regarding electronic or metal waste.
- If the chassis is damaged beyond repair, consider recycling the materials where possible.

Contact Information for Further Support

For any questions or concerns regarding your ACC Premier Gen 2 MDT Chassis, please reach out to the appropriate customer support channels available in your region. Always ensure that you are using authorized support services for assistance with your product.

By following these guidelines, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 MDT Chassis. Thank you for prioritizing safety and responsible firearm handling.
