

ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen2 - Tikka T1X - Rimfire - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Tikka T1X rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before using the chassis.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the chassis out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before installing or adjusting the chassis.
- Do not exceed the manufacturer's specifications for weight and balance when adding accessories.
- Use caution when tightening screws to avoid overtightening, which may damage the chassis or affect performance.
- Ensure that the action is properly secured in the chassis to prevent movement during use.
- Avoid using the chassis in extreme weather conditions that may affect its integrity.
- If you notice any unusual sounds or movements while using the chassis, cease use immediately and inspect the product.

Instructions for Installation and Usage

1. Installation Instructions:

- Unload your Tikka T1X rifle completely.
- Remove the existing stock from the rifle.
- Place the action into the VBlock bedding of the MDT chassis.
- Align the action with the chassis to ensure a snug fit.
- Use the provided screws to secure the action in place. Tighten them securely, but do not overtighten.
- Attach any accessories, such as bipods or tripods, to the integrated ARCA rail as needed.

2. Usage Instructions:

- Once installed, check that the rifle is stable and secure in the chassis.
- Adjust your shooting position for comfort and stability.
- When using bipods or tripods, ensure they are properly locked in place before shooting.
- Maintain a safe shooting environment and always follow local laws and regulations regarding firearm use.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations for electronic waste and metal products.
- If the chassis is damaged beyond repair, contact your local waste management facility for guidance on disposal.

proper disposal methods.

Contact Information for Further Support

For any inquiries or further support regarding the ACC Premier Gen 2 MDT Chassis, please consult the manufacturer's website or customer service.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your ACC Premier Gen 2 MDT Chassis. Thank you for your attention to safety.
