

# ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen2 - Tikka T1X - Rimfire - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

# Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Tikka T1X rifle. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. It is important to read and understand this information before installation and usage.

## General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the product is suitable for your specific rifle model.
- Regularly inspect the chassis for any signs of wear or damage.
- Keep the chassis out of reach of children and vulnerable individuals.
- Store the chassis in a secure location when not in use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the rifle is unloaded before beginning installation. Always handle firearms with care.
- **Use of Bipods and Tripods:** When using the fulllength integrated ARCA rail, ensure that bipods and tripods are securely attached to prevent accidental detachment.
- **Recoil Management:** Be aware that the chassis is designed to minimize movement under recoil; however, always maintain a firm grip on the rifle.
- **Maintenance:** Clean and maintain the chassis regularly to ensure optimal performance. Follow the manufacturer's guidelines for cleaning products and methods.
- **Environment:** Avoid using the chassis in extreme weather conditions that may affect its performance or integrity.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from your Tikka T1X rifle.
- Place the action of your rifle into the precision VBlock bedding of the chassis.
- Align the action with the chassis and ensure it is seated properly.
- Tighten the two screws provided to secure the action in place. Ensure they are tightened to the manufacturer's specifications but do not overtighten.
- Attach any bipods or tripods to the integrated ARCA rail as needed.

### 2. Usage Guidelines:

- Once installed, check the stability of the chassis and ensure no movement occurs when the rifle is fired.
- Adjust the balance of your rifle using MDT's weight kits if necessary to achieve optimal handling.
- Practice safe shooting techniques and always be aware of your surroundings.

## **Disposal Instructions**

- Dispose of the chassis according to local regulations for electronic waste or firearm accessories.
- If the product is damaged beyond repair, contact your local waste management authority for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACC Premier Gen 2 MDT Chassis, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for any safety inquiries or productrelated issues.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 MDT Chassis. Thank you for your attention to safety, and happy shooting!
