# SRSX Elite Gen 2 MDT Buttstock Safety Instructions

## Introduction

Thank you for choosing the SRSX Elite Gen 2 MDT Buttstock. This product is designed to enhance your shooting experience with superior adjustability and comfort. However, it is essential to follow the safety guidelines outlined in this document to ensure safe and effective use.

## General Safety Guidelines

- Always ensure the firearm is unloaded before attaching or adjusting the buttstock.
- Inspect the buttstock for any damage before use. Do not use if damaged.
- Keep the buttstock and its components away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.
- Use the buttstock only for its intended purpose as specified in this manual.
- Regularly check for wear and tear on the buttstock and its components.

## Specific Safety Precautions for Use

- **Adjustments:**
  - Make adjustments only when the firearm is in a safe and unloaded condition.
  - Ensure all adjustments are securely locked in place before use.
- **Cheek Rest:**
  - Ensure the cheek rest is at a comfortable height to prevent strain during use.
- **Buttpad:**
  - Adjust the buttpad for optimal length of pull to fit your shooting stance.
- **Compatibility:**
  - Confirm the buttstock is compatible with your specific chassis before installation.
- **Storage:**
  - Store the buttstock in a dry and secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the buttstock with the chassis using the XTN interface.
- Securely fasten the buttstock according to the manufacturer's instructions.
- Check that the buttstock is firmly attached before proceeding.

### 2. Adjustments:

- To adjust the cheek rest height, loosen the adjustment knob, set to the desired height, and tighten the knob securely.
- For frontback adjustments of the cheek rest, loosen the adjustment knob, slide to the desired position, and tighten the knob.
- Adjust the buttpad height by loosening the screws, positioning it as needed, and retightening the screws.
- For length of pull adjustment, remove the spacer if necessary, and adjust the buttpad to the preferred length.

### 3. Usage:

- Once installed and adjusted, hold the firearm securely, ensuring a stable shooting position.
- Regularly check that all adjustments remain secure during use.

## **Disposal Instructions**

- Dispose of the buttstock and any components in accordance with local waste disposal regulations.
- Do not dispose of the product in fire or water bodies.
- Consider recycling materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the SRSX Elite Gen 2 MDT Buttstock, please reach out to the appropriate contact point provided by the manufacturer.

By adhering to these safety instructions, you can ensure a safer and more enjoyable experience with your SRSX Elite Gen 2 MDT Buttstock. Thank you for prioritizing safety.
