Safety Instruction Guide for the SRSX Elite Gen 2 MDT Buttstock

Introduction

Thank you for choosing the SRSX Elite Gen 2 MDT Buttstock. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this document carefully before using the buttstock.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product documentation.
- Always inspect the buttstock for any signs of damage before use. Do not use if damaged.
- Keep the buttstock out of reach of children and vulnerable individuals.
- Familiarize yourself with the product features and adjustments to ensure proper usage.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Adjustments:**
 - Ensure that all adjustments are securely locked before use.
 - Avoid making adjustments while the firearm is in use.
- **Cheek Rest:**
 - Adjust the cheek rest height and frontback position carefully to avoid pinching or injury.
- **Buttpad:**
 - Ensure the buttpad is properly adjusted to prevent discomfort or instability while shooting.
- **Compatibility:**
 - Confirm that the buttstock is compatible with your chassis before installation.
- **Online Shopping:**
 - When purchasing online, ensure you are buying from a reputable seller that adheres to safety standards.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and safe before proceeding.
- Align the buttstock with the chassis's XTN interface.
- Securely attach the buttstock by following the manufacturer's instructions.
- Check that the buttstock is firmly in place and does not wobble.

2. Adjustments:

- To adjust the cheek rest height, release the adjustment knob, set to the desired height, and relock the knob.
- For frontback adjustments, slide the cheek rest to the preferred position and secure it in place.
- Adjust the buttpad height by lifting or lowering it as needed. Use the adjustable spacer for additional length of pull.

3. Usage:

- Always maintain a proper shooting stance when using the buttstock.
- Ensure that any accessories attached to the MLOK slot do not interfere with the operation of the

- firearm.
- Regularly check the stability of the buttstock and all adjustments during use.

Disposal Instructions

- Dispose of the buttstock responsibly at a designated electronic waste recycling facility or as per local regulations.
- Do not dispose of the product in regular household waste to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or additional support, please contact the manufacturer or visit their official website. Ensure to have the product details and any relevant information ready for assistance.

Thank you for your attention to these safety instructions. Proper use and care of your SRSX Elite Gen 2 MDT Buttstock will ensure a safe and enjoyable experience.
