

LSS Gen3 Interface - MDT Chassis - LSS Gen3 - Pistol Interface Assembly - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Adapter](#)

The MDT LSS GEN3 Buttstock Interface is your key to ultimate modularity. Designed specifically for the LSS GEN3 chassis, this interface lets you easily attach the buttstock that best fits your needs—whether it's for competition, hunting, or tactical applications. Built from high-strength materials for rugged reliability, the interface ensures a rock-solid connection between your chassis and your chosen stock. Swap styles, improve ergonomics, and fine-tune your rifle's balance with ease. Supporting both Fixed and Carbine buttstocks, the LSS GEN3 Buttstock Interface gives you the freedom to adapt your rifle as your shooting needs evolve.

LSS Gen3 Interface MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the LSS Gen3 Interface MDT Chassis Pistol Interface Assembly BLK. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this document carefully before use to maximize your safety and the performance of your equipment.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the interface is securely attached to the chassis before use.
- Use only compatible buttstocks with the LSS Gen3 Interface to prevent accidents.
- Avoid using the product in extreme environmental conditions that may compromise its integrity.
- Do not modify the product in any way, as this may lead to safety hazards.
- Always handle the product with care to prevent personal injury.

Instructions for Installation and Usage

Installation

1. **Prepare the Chassis:** Ensure that the LSS Gen3 chassis is clean and free from debris.
2. **Align the Interface:** Position the Buttstock Interface so that it aligns with the mounting points on the chassis.
3. **Secure the Interface:** Use the provided screws to securely attach the interface to the chassis. Ensure all screws are tightened properly.
4. **Attach the Buttstock:** Select a compatible buttstock and follow the manufacturer's instructions for attachment.

Usage

- Always check that the buttstock is securely connected before each use.
- When adjusting the buttstock, make sure to follow the specific adjustment instructions provided by the buttstock manufacturer.
- Regularly inspect the connection between the chassis and buttstock for signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste. Check with local authorities for proper disposal methods, especially for materials that may be considered hazardous.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the LSS Gen3 Interface MDT Chassis, please refer to the

manufacturer's contact information provided on the product packaging or visit the manufacturer's official website.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your LSS Gen3 Interface MDT Chassis responsibly.
