

# LSS Gen3 Interface - MDT Chassis - LSS Gen3 - Pistol Interface Assembly - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Adapter](#)

The MDT LSS GEN3 Buttstock Interface is your key to ultimate modularity. Designed specifically for the LSS GEN3 chassis, this interface lets you easily attach the buttstock that best fits your needs—whether it's for competition, hunting, or tactical applications. Built from high-strength materials for rugged reliability, the interface ensures a rock-solid connection between your chassis and your chosen stock. Swap styles, improve ergonomics, and fine-tune your rifle's balance with ease. Supporting both Fixed and Carbine buttstocks, the LSS GEN3 Buttstock Interface gives you the freedom to adapt your rifle as your shooting needs evolve.

# LSS Gen3 Interface MDT Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the LSS Gen3 Interface MDT Chassis Pistol Interface Assembly in FDE. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide carefully before use.

## General Safety Guidelines

To ensure safe use of the LSS Gen3 Interface, please adhere to the following general safety guidelines:

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any signs of damage or wear before use.
- Keep out of reach of children and vulnerable individuals.
- Use appropriate protective gear when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using the product.
- Follow all local laws and regulations regarding firearm use and accessories.

## Specific Safety Precautions for Use

When using the LSS Gen3 Interface, please observe the following specific safety precautions:

- Always ensure that the firearm is unloaded before attaching or detaching the buttstock.
- Verify that the interface is securely attached to the chassis before use.
- Do not exceed the manufacturer's weight limit for the buttstock.
- Avoid using the product in extreme weather conditions unless specified by the manufacturer.
- Regularly check for loose screws or components and tighten as necessary.
- Do not modify the product in any way that could compromise its safety or function.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the LSS Gen3 Interface:

### 1. Preparation

- Ensure that the firearm is unloaded.
- Gather necessary tools (if any) for installation.

### 2. Installation

- Align the LSS Gen3 Interface with the mounting area on the chassis.
- Securely attach the interface using the provided screws or fasteners.
- Verify that the interface is firmly in place and does not move.

### 3. Attaching the Buttstock

- Choose the buttstock that best fits your needs (Fixed or Carbine).
- Align the buttstock with the interface and slide it into place.
- Secure the buttstock according to the manufacturer's instructions.

### 4. Testing the Setup

- Check the stability of the connection between the chassis and the buttstock.
- Conduct a function test to ensure everything operates correctly.

## **5. Regular Maintenance**

- Periodically inspect the interface and buttstock for wear or damage.
- Clean the interface according to the manufacturer's recommendations.

## **Disposal Instructions**

When the LSS Gen3 Interface is no longer in use or is damaged beyond repair, please follow these disposal instructions:

- Dispose of the product in accordance with local regulations regarding electronic waste and firearms accessories.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety concerns or product support, please reach out to the appropriate EU-based contact point for this product. Ensure you have the product details ready for any communication.

By following these guidelines, you can ensure the safe and effective use of your LSS Gen3 Interface MDT Chassis. Thank you for prioritizing safety!
