

Kompaktklinge 1 - Folding Knife

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#)

The Prussia Precision Kompaktklinge 1 is a sleek and dependable folding knife designed for everyday carry. Built with clean lines and practical performance in mind, it delivers a compact cutting tool that fits effortlessly into any EDC setup.

At its core is a 9.5 cm blade made from 3Cr13 stainless steel, offering solid corrosion resistance, easy maintenance, and reliable cutting performance for daily tasks. The stonewash finish enhances durability while helping conceal minor wear from regular use, maintaining a clean, rugged look over time.

The knife features a smooth opening action and a proven liner lock mechanism, ensuring secure blade retention during use. Its lightweight aluminum handle provides strength without unnecessary bulk, making it comfortable to carry in urban environments, outdoor settings, or professional applications.

Constructed from durable materials and engineered for practical reliability, the Kompaktklinge 1 is built for users who value functionality, simplicity, and dependable everyday performance.

Kompaktklinge 1 Folding Knife Safety Instruction Guide

Introduction

Thank you for choosing the Prussia Precision Kompaktklinge 1 Folding Knife. This guide provides essential safety instructions and guidelines to ensure the safe use of your knife. Please read this document carefully before using the product to maximize your safety and the knife's performance.

General Safety Guidelines

- Always ensure that the knife is closed when not in use to prevent accidental cuts.
- Keep the knife out of reach of children and vulnerable individuals.
- Inspect the knife regularly for any signs of damage or wear. Do not use it if damaged.
- Use the knife only for its intended purpose. This knife is designed for cutting tasks and should not be used for prying or as a lever.
- Store the knife in a safe location, preferably in a sheath or protective case, to avoid accidental injury.
- Be cautious when handling the knife, especially when opening or closing it. Ensure your fingers are clear of the blade path.
- If the knife becomes dull, sharpen it using appropriate tools and techniques. A dull knife can be more dangerous than a sharp one due to the increased force needed to cut.

Specific Safety Precautions for Use

- When using the knife, always cut away from your body and keep your hands and fingers clear of the cutting path.
- Avoid using the knife in wet conditions, as this may affect your grip and increase the risk of slipping.
- Do not attempt to catch the knife if it slips from your hand. Allow it to fall to the ground to avoid injury.
- If you are not experienced in using folding knives, consider seeking guidance or training from a knowledgeable person before use.
- Be aware of your surroundings when using the knife, especially in crowded or confined spaces.

Instructions for Installation and Usage

1. Opening the Knife:

- To open the knife, grasp the handle firmly with one hand.
- Use your thumb to push the blade outwards until it locks into place. Ensure the liner lock mechanism clicks securely.

2. Using the Knife:

- Hold the knife firmly by the handle.
- Position the blade at the desired cutting angle and apply gentle pressure to cut through the material.
- Always maintain control of the knife during use.

3. Closing the Knife:

- To close the knife, ensure you are holding the handle securely.
- Press the liner lock mechanism with your thumb to release the blade.
- Carefully fold the blade back into the handle until it clicks into place.

4. Maintenance:

- Clean the knife regularly with a damp cloth to remove dirt and debris.
- Lubricate the pivot point of the blade with suitable oil to ensure smooth opening and closing.

Disposal Instructions

- When the knife reaches the end of its life or is no longer usable, dispose of it responsibly.
- Check with local waste management authorities for guidelines on disposing of metal items.
- If the knife is broken or damaged, ensure it is wrapped securely to prevent injury during disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Kompaktklinge 1 Folding Knife, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Conclusion

Your safety is our priority. By following these guidelines and precautions, you can enjoy the functionality and reliability of your Kompaktklinge 1 Folding Knife while minimizing risks. Thank you for your attention and safe handling!
