

Feldklinge 1 - Fixed Knife

The Prussia Precision Feldklinge 1 is a compact and robust fixed-blade knife built for dependable performance in demanding environments. Designed with durability and practicality in mind, it delivers a solid cutting tool suited for outdoor use, field tasks, and everyday utility.

The 8.6 cm blade is made from 3Cr13 stainless steel, offering reliable corrosion resistance, easy maintenance, and consistent cutting performance. Its black oxide and stonewash finish enhances durability while reducing visible wear from regular use, giving the knife a clean, tactical appearance. Unlike folding knives, the fixed-blade construction provides immediate readiness and increased structural strength, making the Feldklinge I a dependable companion for situations where stability and simplicity matter most.

The ergonomic G10 handle ensures a secure grip even in wet or demanding conditions. Lightweight yet highly durable, G10 offers excellent resistance to moisture, temperature changes, and impact, making it well-suited for field use.

For safe transport and storage, the Feldklinge I comes with a durable nylon sheath, allowing secure carry and quick access when needed.

Compact in size yet strong in performance, the Feldklinge 1 is built for users who value reliability, straightforward functionality, and rugged design.

Safety Instruction Guide for Feldklinge 1 Fixed Knife

Introduction

Thank you for choosing the Feldklinge 1 Fixed Knife by Prussia Precision. This guide provides essential safety instructions to ensure the safe and effective use of your knife. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the knife is kept out of reach of children and vulnerable individuals.
- Always use the knife for its intended purpose to avoid accidents.
- Inspect the knife before each use to ensure it is in good working condition.
- Store the knife in its sheath when not in use to prevent accidental cuts or injuries.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always cut away from your body and keep fingers clear of the cutting path.
- Use the knife on a stable surface to prevent slips and accidents.
- Avoid using the knife in wet or slippery conditions unless necessary, as this may increase the risk of accidents.
- Do not attempt to modify or disassemble the knife, as this may compromise its safety and performance.
- If the knife becomes damaged or dull, discontinue use and seek repair or replacement.

Instructions for Installation and Usage

1. Unpacking the Knife:

- Carefully remove the knife from its packaging.
- Inspect the knife for any visible damage or defects.

2. Using the Knife:

- Hold the knife by the handle with a firm grip.
- Position the blade at the desired angle for cutting.
- Apply steady pressure while cutting to achieve the best results.

3. Cleaning and Maintenance:

- Clean the blade with a damp cloth after each use to remove dirt and debris.
- Dry the knife thoroughly to prevent corrosion.
- Apply a light coat of oil to the blade periodically to maintain its performance.

4. Storage:

- Store the knife in its nylon sheath when not in use.
- Keep the knife in a cool, dry place away from direct sunlight.

Disposal Instructions

- When the knife reaches the end of its life or is no longer usable, dispose of it responsibly.

- Follow local regulations for the disposal of sharp objects to prevent injury to waste handlers.
- Consider recycling options if available in your area.
