

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Ruger 10-22 - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis for your Ruger 1022. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this manual carefully before using the chassis.

General Safety Guidelines

- Ensure you are familiar with the operation and handling of firearms before using this product.
- Always follow the manufacturer's instructions and local laws regarding firearm use and safety.
- Keep the chassis and all firearms out of reach of children and unauthorized users.
- Regularly inspect your chassis for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to firearm malfunction.
- Inadequate maintenance can result in decreased performance and safety risks.
- Using incompatible accessories may compromise stability and safety.

- **Avoiding Hazards:**

- Always ensure the rifle is unloaded before installation or maintenance.
- Use only compatible accessories as recommended by the manufacturer.
- Regularly clean and maintain the chassis to prevent dirt and debris buildup.
- Avoid using the chassis in extreme weather conditions that may affect performance.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals aged 18 and older.
- Ensure that younger users are supervised by a responsible adult when using this product.

Instructions for Installation and Usage

- **Installation Steps:**

1. Ensure the rifle is unloaded and the safety is engaged.
2. Remove the existing stock from your Ruger 1022.
3. Place the action into the ACC Premier Gen 2 Folding System chassis.
4. Secure the action using the provided screws. Ensure they are tightened properly.
5. Adjust the cheek weld, hand position, and length of pull to your preference.
6. Verify that the chassis is securely attached and stable before use.

- **Usage Guidelines:**

- Always use the chassis in a safe and controlled environment.
- Maintain a firm grip on the rifle when aiming and firing.

- Regularly check the stability of the chassis during use, especially when transitioning between shooting positions.
- Be aware of your surroundings and ensure a clear line of sight before firing.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the chassis in household waste.
- Contact your local waste management facility for guidance on proper disposal methods.
