

# ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Ruger American - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen 2 Folding System - Ruger American - SA - RH - FDE](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015484
- Mfr. No.: 116072-FDE
- Colour: FDE
- Material: 6061 Aluminum
- Model: American
- Style: Chassis
- Weapon type: Ruger
- Delivery weight: 3.71kg
- Shipping height: 156mm
- Shipping width: 187mm
- Shipping length: 791mm
- UPC: 990482727970

# Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides essential safety instructions and guidelines to ensure safe use of the product. Please read this manual carefully before installation and use to guarantee a safe and enjoyable experience.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always wear appropriate protective gear, including eye and ear protection, when using the rifle.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm use and storage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer when adding accessories.
- Ensure that all components are securely fastened before use to prevent accidents.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the chassis in adverse weather conditions that may affect stability.
- Always verify that the rifle is unloaded before making adjustments to the chassis.

## Instructions for Installation and Usage

### 1. Installation

- Carefully unpack the chassis and check all components against the provided list.
- Drop your action into the chassis and align it properly.
- Secure the action using the two screws provided. Ensure they are tightened firmly but do not overtighten.
- Check that the VBlock bedding system is properly engaged for consistent contact.

### 2. Usage

- Adjust the cheek weld, hand position, and length of pull to fit your personal comfort and shooting style.
- Make sure the forend is stable and free from flex or torsion before shooting.
- Attach bipods or tripods using the fulllength ARCA rail for added stability.
- Balance your rifle properly to enhance target acquisition and shooting accuracy.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the chassis with regular household waste.
- Consider recycling parts where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the ACC Premier Gen 2 Folding System MDT Chassis, please refer to the EUbased contact point provided by the manufacturer. This ensures you receive timely and accurate information regarding product safety and compliance.

By following these guidelines, you can ensure a safe and effective experience with your ACC Premier Gen 2 Folding System MDT Chassis. Thank you for your attention to safety, and enjoy your shooting experience!
