

ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen2 - Tikka T3 - LA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Attributes

- Name: [MDT Chassis - ACC Premier Gen2 - Tikka T3 - LA - RH - BLK](#)

Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. It is important to follow these guidelines to prevent accidents and ensure optimal performance.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ACC Premier Gen 2 MDT Chassis by following all instructions provided.
- **Enhanced Recalls:** Be aware that in the event of a product recall, standardized notices will be issued. Please check regularly for updates.
- **Online Shopping:** If purchased online, the same safety protections apply as in physical stores. Ensure your online platform meets safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about any safety updates or alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual before using the chassis.
- **Inspect the Product:** Regularly check for any signs of wear or damage. Do not use if damaged.
- **Use Appropriate Firearms:** Ensure compatibility with the Tikka T3 model as specified.
- **Avoid Modifications:** Do not modify the chassis in any way that could compromise safety.
- **Wear Protective Gear:** Always wear appropriate eye and ear protection when using firearms.
- **Follow Local Laws:** Abide by all local laws and regulations regarding firearm use and storage.
- **Safe Handling:** Always treat firearms as if they are loaded. Keep the muzzle pointed in a safe direction.

Instructions for Installation and Usage

1. Installation:

- Ensure the workspace is clean and free of distractions.
- Carefully drop your action into the chassis.
- Secure the action using the provided screws. Tighten them firmly but do not overtighten to avoid damage.

2. Usage:

- Adjust the ergonomics to fit your body size and shooting style:
 - Cheek weld: Adjust for comfort and alignment with the scope.
 - Hand position: Ensure a stable grip.
 - Length of pull: Adjust to suit your arm length.
- Test the balance of your rifle before proceeding to shoot. Adjust weights as necessary for optimal performance.
- Practice shooting in a controlled environment to become familiar with the chassis and its handling characteristics.

Disposal Instructions

- **Environmental Considerations:** Dispose of the chassis and any associated materials in accordance with local environmental regulations.
- **Recycling:** If possible, recycle the chassis as it is made from 6061 Aluminum. Check with local recycling facilities for proper procedures.

Contact Information for Further Support

For any questions or concerns regarding the ACC Premier Gen 2 MDT Chassis, please refer to the contact information provided by your retailer or manufacturer. They can assist with any safety inquiries or issues you may encounter.

By following the guidelines outlined in this safety instruction guide, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 MDT Chassis. Thank you for your attention to safety, and happy shooting!
