

# ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen2 - Tikka T3 - LA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

# ACC Premier Gen 2 MDT Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Tikka T3 rifle. This guide provides important safety information and instructions to ensure the safe use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the ACC Premier Gen 2 MDT Chassis is used only for its intended purpose.
- Inspect the chassis regularly for any signs of damage or wear before each use.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the chassis and all related accessories out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before installing or removing the chassis.
- Use the chassis in a safe environment, away from distractions and potential hazards.
- When using the rifle mounted in the chassis, maintain a safe shooting distance from others.
- Be aware of your surroundings while handling the rifle to prevent accidents.
- Do not modify the chassis or use incompatible accessories that may compromise safety.
- Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that the rifle is unloaded and in a safe position.
2. **Drop the Action:** Place the rifle action into the chassis, ensuring it is aligned correctly.
3. **Secure the Action:** Use the provided screws to secure the action in place. Tighten them firmly but do not overtighten, as this may damage the chassis.
4. **Check Alignment:** Ensure that the rifle is properly aligned within the chassis before use.

### Usage

- Adjust the cheek weld, hand position, and length of pull to fit your shooting style and comfort.
- Utilize the integrated barricade stop and ARCA rail for enhanced stability and versatility during shooting.
- Regularly check that all components are secure and functioning properly before each shooting session.
- Finetune the weight system as needed to achieve the desired balance for your rifle.

## Disposal Instructions

- Dispose of the chassis and any associated materials in accordance with local regulations.
- Do not dispose of the chassis in regular household waste. Check for recycling programs that accept aluminum products.
- Ensure that all components are removed from the chassis before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACC Premier Gen 2 MDT Chassis, please reach out to the manufacturer or your local distributor for assistance. Ensure that you have the product details on hand to facilitate support.

By following these guidelines and instructions, you can ensure the safe and effective use of the ACC Premier Gen 2 MDT Chassis. Thank you for your attention to safety and for being a responsible firearm owner.
