

# ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen2 - Remington 700 - LA - CIP - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen2 - Remington 700 - LA - CIP - RH - BLK](#)

# Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Remington 700. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

To ensure safe use of the ACC Premier Gen 2 MDT Chassis, please adhere to the following guidelines:

- Always follow the manufacturer's instructions and recommendations.
- Inspect the chassis and all components for damage before use.
- Ensure that the chassis is compatible with your specific firearm model.
- Use the chassis only for its intended purpose as specified by the manufacturer.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

When using the ACC Premier Gen 2 MDT Chassis, please observe the following safety precautions:

- **Avoid Excessive Force:** When securing the action with screws, do not overtighten, as this may cause damage to the chassis or firearm.
- **Proper Handling:** Always handle your firearm safely and responsibly. Treat every firearm as if it is loaded.
- **Use in Appropriate Conditions:** Do not use the chassis in wet or extreme weather conditions that may affect its integrity.
- **Regular Maintenance:** Periodically check the chassis for wear and tear, ensuring all components are functioning correctly.
- **Compatibility Checks:** Ensure that any accessories used with the chassis are compatible and securely attached.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of your ACC Premier Gen 2 MDT Chassis:

### 1. Preparation:

- Gather all necessary tools, including a screwdriver and any required accessories.
- Ensure your workspace is clean and free of distractions.

### 2. Installation:

- Remove the action from your Remington 700.
- Place the action into the ACC Premier Gen 2 MDT Chassis.
- Align the action with the precision engineered VBlock bedding system.
- Secure the action using the provided screws, ensuring they are snug but not overtightened.

### 3. Adjustments:

- Adjust the cheek weld, hand position, and length of pull to achieve a comfortable fit.
- Finetune the weight system as needed for optimal balance.

#### **4. Final Checks:**

- Ensure all components are securely fastened and that there is no movement in the chassis.
- Conduct a safety check of your firearm before use.

#### **5. Usage:**

- Practice safe shooting techniques and maintain awareness of your surroundings.
- Regularly assess your setup for stability and comfort during use.

## **Disposal Instructions**

When it comes time to dispose of your ACC Premier Gen 2 MDT Chassis, please follow these guidelines:

- Do not dispose of the chassis in regular household waste.
- Check local regulations for the proper disposal of aluminum and other materials.
- Recycle the chassis and any components whenever possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACC Premier Gen 2 MDT Chassis, please consult the manufacturer's website or customer support resources for assistance. Always ensure you have up-to-date information regarding safety and product usage.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 MDT Chassis. Thank you for your attention to these important guidelines.
