Combination Lock Armory Lock Safety Instructions

Introduction

Thank you for choosing the Combination Lock Armory Lock. This product is designed to provide reliable security for your GTS BW Ammo Cans and other essential gear. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the lock is used only for its intended purpose.
- Regularly inspect the lock for any signs of wear or damage.
- Store the lock in a dry place when not in use to prevent rust or corrosion.
- Keep the lock out of reach of children and vulnerable individuals.
- If you notice any malfunction or damage, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Locking Mechanism:**
 - Always ensure the shackle is fully engaged before transporting your gear.
 - Do not force the lock open or closed; this may cause damage.
- **Combination Security:**
 - Keep your combination confidential. Do not share it with others.
 - Change the combination periodically for enhanced security.
- **Environmental Conditions:**
 - Avoid exposing the lock to extreme temperatures or harsh chemicals.
 - If used outdoors, ensure that the lock is protected from moisture.

Instructions for Installation and Usage

1. **Setting the Combination:**
 - Start with the lock in the open position.
 - Rotate the dials to your desired combination.
 - Follow the manufacturer's instructions for resetting the combination if necessary.
2. **Locking the Ammo Can:**
 - Align the shackle with the lock points on the GTS BW Ammo Can.
 - Insert the shackle into the latch points and press down until it clicks into place.
3. **Unlocking the Ammo Can:**
 - Enter your combination on the lock dials.
 - Pull the shackle upwards to release the lock.
4. **Transporting the Locked Can:**
 - Ensure the lock is securely fastened before moving your ammo can.
 - Carry the can by its handles, avoiding any force that could damage the lock.

Disposal Instructions

- When the lock reaches the end of its life cycle or is no longer needed, dispose of it responsibly.
- Check local regulations for proper disposal methods for metal products.
- Recycle the lock if possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Combination Lock Armory Lock, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for safety inquiries and product assistance.

By following these safety instructions, you can ensure the effective use of your Combination Lock Armory Lock while keeping your gear secure. Thank you for your attention to safety.
