

# ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen2 - Ruger American - Rimfire - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

# Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Ruger American Rimfire rifle. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your chassis. Please read this document carefully to maximize your safety and the performance of your equipment.

## General Safety Guidelines

- Always handle firearms with care and follow all local laws and regulations regarding firearm safety and usage.
- Ensure that the chassis is compatible with your specific rifle model before installation.
- Inspect the chassis for any damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Store the chassis in a safe and secure location when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the rifle is unloaded before attaching or detaching the chassis.
- Always wear appropriate eye and ear protection when shooting.
- Avoid using the chassis in wet or humid conditions to prevent corrosion.
- Do not exceed the manufacturer's recommended weight limits when adding accessories.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly check the tightness of screws and connections to maintain stability during use.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare Your Workspace

- Ensure you are in a clean, dry area with sufficient lighting.
- Gather all necessary tools, including the screws provided with the chassis.

#### 2. Remove the Existing Stock

- Unload your rifle and ensure it is pointed in a safe direction.
- Remove the existing stock by unscrewing it from the action.

#### 3. Install the MDT Chassis

- Align the action of your rifle with the VBlock bedding of the MDT chassis.
- Carefully drop the action into the chassis.
- Tighten the two screws provided to secure the action in place. Ensure they are snug but do not overtighten.

#### 4. Attach Accessories

- If using bipods or tripods, attach them to the integrated ARCA rail as needed.
- Ensure all accessories are securely fastened and do not interfere with the operation of the rifle.

## **Usage**

- Once installed, check the stability of the chassis by gently shaking it. There should be no movement.
- Adjust the balance of your rifle using MDT's weight kits if desired.
- Practice shooting in a controlled environment to become familiar with the new chassis setup.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the chassis is damaged beyond repair, dispose of it in accordance with local regulations regarding metal waste.
- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please contact the manufacturer or your local retailer. Ensure to have your product information ready for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 MDT Chassis. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
