

## ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen2 - Ruger American - Rimfire - RH - FDE

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

# Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Ruger American Rimfire rifle. This guide provides important safety information and instructions to ensure safe and effective use of your product. Please read this guide thoroughly before installation and usage.

## General Safety Guidelines

- **Product Safety:** Always ensure the chassis is used in accordance with the manufacturer's instructions to avoid potential hazards.
- **Enhanced Recalls:** Stay informed about product recalls. If notified, follow the instructions provided for returning or repairing the product.
- **Online Shopping Safety:** When purchasing online, ensure that the retailer complies with safety regulations and has a clear return policy.
- **Special Consumer Focus:** Keep this product out of reach of children. It is not a toy and should be used by adults or under adult supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided with the product.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety alerts.

## Specific Safety Precautions for Use

- **Avoid Modifications:** Do not alter the chassis or use it with incompatible accessories.
- **Inspect Before Use:** Always inspect the chassis for any signs of damage before each use.
- **Proper Handling:** Handle the chassis with care, ensuring it is not dropped or subjected to excessive force.
- **Secure Installation:** Ensure that the action is properly secured in the chassis to prevent movement during use.
- **Use in Safe Environments:** Only use the chassis in safe environments where you have a clear line of sight and a safe backstop for shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded and the safety is engaged.
- Remove the existing stock from the rifle according to the manufacturer's instructions.
- Place the action of the rifle into the MDT ACC Premier Gen 2 Chassis.
- Align the action with the precision VBlock bedding to ensure consistent contact.
- Secure the action in place by tightening the two screws provided. Ensure they are snug but do not overtighten.
- If using MDT's weight kits, install them according to the instructions provided with the kits.

### 2. Usage:

- Before shooting, ensure that the rifle is properly balanced and adjusted to your preference.
- Use a bipod or tripod attached to the integrated ARCA rail for stability.
- Always follow safe shooting practices and local regulations when using your rifle.

## **Disposal Instructions**

- Dispose of the chassis in accordance with local regulations regarding aluminum recycling.
- Ensure that all components are disposed of safely and responsibly to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACC Premier Gen 2 MDT Chassis, please refer to the manufacturer's contact details provided with your product.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the ACC Premier Gen 2 MDT Chassis!
