

## ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen2 - Ruger American - Rimfire - RH - CCG

The MDT ACC Premier GEN2 Chassis makes it easy. It features a compact 15" forend—ideal for barrels starting at 17"—with a wide, thick, flat profile designed to eliminate flex and torsion. Whether you're shooting off barricades or PRS props, you get a rock-solid, no-shift platform.

The full-length integrated ARCA rail offers instant compatibility with bipods and tripods, helping you lock in that perfect shooting position.

Inside, precision V-Block bedding secures your action in place. This machined V-shaped block ensures consistent contact between action and chassis, drastically reducing movement under recoil and enhancing repeatable accuracy.

Installation? Dead simple. Just drop in your action and tighten two screws—no gunsmith required. Pair it with MDT's weight kits and tune your rifle's balance to perfection.

# Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Ruger American Rimfire rifle. This guide provides essential safety information and instructions to ensure the safe and effective use of your new chassis. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that you follow all safety instructions provided in this guide.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep the chassis out of reach of children and unauthorized users.
- Inspect the chassis and your firearm before each use to ensure they are in good condition.
- Always wear appropriate personal protective equipment (PPE) when handling firearms, including eye and ear protection.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limits for accessories attached to the chassis.
- Ensure that the action is properly secured in the chassis to prevent movement during use.
- Avoid using the chassis in extreme weather conditions that may affect performance.
- Do not modify the chassis or its components in any way, as this may compromise safety.
- Always use the chassis with compatible firearms only.
- Be cautious when using bipods or tripods; ensure they are securely attached before use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the action from the rifle stock.
- Place the action into the MDT ACC Premier Gen 2 Chassis.
- Align the action with the precision VBlock bedding to ensure proper fit.
- Tighten the two screws securely to hold the action in place.
- Verify that the action is stable and does not shift.

### 2. Usage:

- When ready to shoot, ensure the rifle is pointed in a safe direction.
- Use the fulllength integrated ARCA rail to attach bipods or tripods securely.
- Adjust your shooting position as needed for comfort and stability.
- After use, ensure the firearm is unloaded and stored safely.

## Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- If the chassis is damaged or no longer in use, consider recycling the aluminum material where facilities are available.
- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the ACC Premier Gen 2 MDT Chassis, please refer to the manufacturer's website or contact their support team directly for assistance.

By following this safety instruction guide, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 MDT Chassis. Thank you for your attention to safety and responsible firearm use.
