

GripON Short Strap

[Shooting Accessories](#) > [Duty Gear](#)

The Long Strap measures 12 inches, offering extended reach and flexibility for larger gear setups or unique mounting needs.

The Grip On family represents the most versatile product line in the system, designed to adapt to nearly any piece of equipment. Each Grip On comes standard with a U-Plate Arca, which can mount in any direction, giving you full freedom in positioning. It also includes a 9-inch strap, perfectly sized to fit most binoculars, tripod legs, smaller cups, water bottles, and virtually any gear you can wrap it around.

GripON Short Strap Safety Instruction Guide

Introduction

Thank you for choosing the GripON Short Strap. This guide provides essential safety information to ensure the safe use and handling of your product. Please read this guide carefully before using the GripON Short Strap.

General Safety Guidelines

- Always inspect the GripON Short Strap for any signs of wear or damage before each use.
- Ensure that the strap is securely fastened to your equipment to prevent any accidental detachment.
- Use the strap only for its intended purpose; do not exceed the recommended load capacity.
- Keep the strap away from heat sources and sharp edges to avoid damage.
- Store the strap in a cool, dry place when not in use.

Specific Safety Precautions for Use

- **Age Warning:** This product is not a toy. Keep away from children to prevent risk of strangulation or injury.
- **Weight Limit:** Do not exceed the recommended weight capacity of the strap. Overloading can lead to failure and potential injury.
- **Secure Attachment:** Always ensure that the UPlate Arca is securely mounted in the desired direction before use.
- **Environmental Conditions:** Avoid using the strap in extreme weather conditions, such as heavy rain or snow, as this may affect its performance.
- **Regular Checks:** Periodically check the strap for any signs of fraying or damage, and replace it if necessary.

Instructions for Installation and Usage

1. Installation of UPlate Arca:

- Choose the desired mounting position on your equipment.
- Align the UPlate Arca with the mounting point.
- Securely attach the UPlate Arca by tightening the screws (if applicable).

2. Using the Strap:

- Take the 9inch strap and wrap it around the item you wish to secure (e.g., binoculars, tripod legs).
- Ensure that the strap is snug but not overly tight to avoid damaging the equipment.
- Adjust the strap length as needed for optimal fit and security.

3. Removing the Strap:

- To remove the strap, gently unfasten it from the item.
- Store the strap in a safe place to prevent tangling or damage.

Disposal Instructions

- Dispose of the GripON Short Strap in accordance with local waste disposal regulations.
- If the strap is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the strap in regular household waste if it can be recycled.

Contact Information for Further Support

For any safety inquiries or to report unsafe products, please contact your local consumer protection authority. You can also check for recall updates on the EU's Safety Gate platform.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your GripON Short Strap.
