## Introduction

Thank you for choosing the Volquartsen Spare Parts Trigger Spring and Trigger Plunger for MKII, MKIII, and MK IV. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions and guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the Trigger Spring and Trigger Plunger only with compatible models: MKII, MKIII, and MK IV.
- Do not modify or alter the components in any way.
- Always wear appropriate safety gear when handling or installing the product, including safety glasses and gloves.
- Ensure that the firearm is unloaded before installation or maintenance.
- Avoid using the product in wet or damp conditions to prevent corrosion or malfunction.
- If you experience any difficulty during installation or usage, cease operation and consult a qualified technician.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation, such as a screwdriver and pliers.
- Work in a clean, welllit area to avoid losing small parts.

### 2. Installation Steps:

- Make sure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing trigger spring and trigger plunger from the firearm.
- Take the new Trigger Spring and Trigger Plunger from their packaging.
- Carefully install the Trigger Plunger into its designated position within the firearm.
- Follow this by installing the Trigger Spring, ensuring it is securely in place.
- Doublecheck that both components are properly seated and functioning.

### 3. PostInstallation:

- Test the trigger mechanism to ensure smooth operation.
- If there are any issues, disassemble and recheck the installation steps.
- Always perform a safety check before using the firearm again.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local waste management regulations.
- Do not dispose of the product in household waste. Instead, check for local recycling programs or hazardous waste disposal options.
- Ensure that the product is rendered unusable before disposal to prevent any potential misuse.
