# Volquartsen Spare Parts Extractor Spring and Plunger for Competition Pistol Bolt Safety Instruction Guide

## Introduction

Thank you for choosing the Volquartsen Spare Parts Extractor Spring and Plunger for your Competition Pistol Bolt. This guide provides essential safety instructions to ensure the safe use and maintenance of this product. Please read and follow these instructions carefully to minimize risks and enhance your experience.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the product.
- In case of any uncertainty regarding the product's safety or functionality, seek professional advice.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when handling the product.
- Do not modify or alter the product in any way, as this may compromise its safety.
- Use the product in a wellventilated area to avoid inhalation of any fumes or particles.
- Follow all local laws and regulations regarding the use of firearms and related components.
- If you experience any discomfort or adverse reactions while using the product, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction before starting the installation.
- Remove the existing extractor spring and plunger from the competition pistol bolt.
- Carefully install the new extractor spring and plunger, ensuring they are positioned correctly.
- Confirm that all components are secure and functioning properly before reassembling the firearm.

### 2. Usage:

- Always perform a function check on your firearm after installation to ensure everything operates as intended.
- Avoid using the firearm in extreme conditions that may affect the performance of the extractor spring and plunger.
- Regularly inspect the extractor spring and plunger for signs of wear or damage, and replace them as necessary.

## Disposal Instructions

- Dispose of the product responsibly, following local regulations for hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety or functionality of this product, please reach out to your local authorized dealer or manufacturer. Ensure you have the product details ready for a more efficient response.

By adhering to these safety guidelines and precautions, you can ensure a safer experience with your Volquartsen Spare Parts Extractor Spring and Plunger for Competition Pistol Bolt. Thank you for prioritizing safety.
