Safety Instruction Guide for Pelican 1015 Black Case

Introduction

Thank you for choosing the Pelican 1015 Black Case. This guide provides essential safety instructions and guidelines to ensure the safe use of your case. It is important to follow these instructions to protect your Kestrel or other small electronic devices.

General Safety Guidelines

- **Product Safety:** The Pelican 1015 Black Case is designed to safely store nonfood items, including electronic devices. Ensure that the case is used as intended.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices and remedies. Stay informed about any recalls related to your product.
- **Online Shopping:** If you purchased this case online, you have the same safety protections as if you bought it in a physical store. Ensure that the online platform complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using this case around children. Ensure that the case is kept out of reach of young children to prevent any accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU-based contact point.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that your Kestrel model (1000–3500, 4000, or 5 Series) fits securely within the case.
- **Water Resistance:** While the case is water-resistant, do not submerge it in water. Keep it away from extreme moisture.
- **Dust and Debris:** Avoid exposing the case to excessive dust or debris, which may compromise its protective features.
- **Temperature Extremes:** Do not expose the case to extreme temperatures, which could affect its integrity.
- **Weight Limit:** Do not exceed the buoyancy limit of 0.5 kg. Ensure that the contents do not exceed this weight to maintain the case's protective capabilities.

Instructions for Installation and Usage

- **Opening the Case:** To open the case, use the easy-open latch. Ensure that your hands are dry to avoid slipping.
- **Storing Devices:** Place your Kestrel or small electronic devices inside the case. Ensure that they are positioned securely and do not move around.
- **Using the Carabiner:** Attach the included sport carabiner to your backpack or belt for easy carrying. Ensure that it is securely fastened.
- **Cleaning the Case:** Use a soft, damp cloth to clean the exterior of the case. Avoid using harsh chemicals that may damage the surface.
- **Regular Inspections:** Periodically check the case for any signs of damage or wear. If you notice any issues, discontinue use and consult a professional.

Disposal Instructions

- **Recycling:** Dispose of the Pelican 1015 Black Case responsibly. Check local regulations for guidance on recycling plastic materials.

- **Environmental Considerations:** Do not dispose of the case in regular household waste. Ensure proper disposal to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Pelican 1015 Black Case, please refer to the manufacturer's support resources or your point of purchase. Always keep the original packaging and receipt for reference in case of any issues.

By following these safety instructions, you can ensure the longevity and effectiveness of your Pelican 1015 Black Case while keeping your devices safe. Thank you for your attention to these important guidelines.
