The Chisel Machining Mossberg 590R Folder is a premium, CNC-machined folding stock designed specifically for the Mossberg 590R platform. Built for durability, modularity, and compact handling, this stock is ideal for users who demand both rugged performance and refined engineering.

Machined from solid 6061 billet aluminum, the 590R Folder offers exceptional strength while maintaining a balanced weight profile. The side-folding mechanism allows the stock to fold neatly, significantly reducing overall length for easier transport, storage, and maneuverability in confined spaces.

The stock features an adjustable length of pull, enabling shooters to fine-tune the fit for optimal comfort and control. Its design supports compatibility with AR-style grips and other tactical components, making it a versatile upgrade for professional, tactical, or enthusiast use.

Finished with precision CNC detailing and a durable surface treatment, the Chisel Machining 590R Folder delivers both a high-end appearance and dependable performance under demanding conditions.

Mossberg 590R Folding Stock Safety Instruction Guide

Introduction

Thank you for choosing the Chisel Machining Mossberg 590R Folding Stock. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your new product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the stock is compatible with your Mossberg 590R platform before installation.
- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Store the stock in a secure location away from children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm accessories and modifications.

Specific Safety Precautions for Use

- Do not use the stock if it is damaged or shows signs of wear.
- Ensure that the folding mechanism is functioning properly before use.
- Adjust the length of pull only when the firearm is unloaded and pointed in a safe direction.
- When folding the stock, ensure that there are no obstructions in the folding path.
- Always use the stock in conjunction with appropriate safety gear, including eye and ear protection.

Instructions for Installation and Usage

Installation

1. **Check Compatibility:** Verify that the stock is designed for the Mossberg 590R platform.
2. **Prepare Tools:** Gather necessary tools for installation, including a screwdriver and any other required items.
3. **Remove Existing Stock:** Unload the firearm and remove the existing stock according to the manufacturer's instructions.
4. **Install New Stock:**
 - Align the new Mossberg 590R Folding Stock with the receiver.
 - Securely fasten the stock using the provided screws and tools.
5. **Check Installation:** Ensure that the stock is securely attached and does not move.

Usage

1. **Adjust Length of Pull:**
 - With the firearm unloaded, adjust the length of pull to fit your preference.
 - Ensure the adjustment is secure before use.
2. **Folding Mechanism:**
 - To fold the stock, press the release mechanism and gently fold the stock inward.
 - Ensure the stock is fully secured in the folded position before transport.
3. **Unfolding the Stock:**
 - To deploy the stock, gently pull it outward until it clicks into place.
 - Ensure that the stock is locked before using the firearm.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding the disposal of firearm accessories.
- If the stock is damaged beyond repair, contact local waste management for proper disposal methods.
