

DeadShot - Camo DeadShot Tripod Mossy Oak Bottomland

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The Deadshot® Series is built for hunters who want dependable shooting support without sacrificing value. Whether you're set up in a ground blind, positioned along a field edge, or trekking deep into the backcountry, the Deadshot® delivers the premium performance hunters expect from BOG®. Constructed from lightweight aluminum, it features a foam grip for warm, stable handling, external twist locks for quick and quiet adjustments, and BOG's proven rubberized shooting yoke for confident stability. The bipod design provides two solid points of contact, making it ideal for precise, steady shots on uneven terrain. Now available in Mossy Oak® Bottomland.

DeadShot Camo DeadShot Tripod Mossy Oak Bottomland Safety Instruction Guide

Introduction

Thank you for choosing the DeadShot® Tripod by BOG®. This product is designed to provide reliable shooting support for hunters. Please read this safety instruction guide carefully to ensure safe and effective use of your tripod.

General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Inspect the tripod before each use for any signs of damage or wear.
- Use the tripod only for its intended purpose: providing stable shooting support.
- Keep the tripod out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the tripod is set up on stable, level ground to prevent tipping.
- Always secure the external twist locks completely before use to avoid accidental collapse.
- Do not exceed the weight limit specified by the manufacturer.
- Avoid using the tripod in extreme weather conditions that could compromise stability.
- Use the foam grip to maintain a secure hold and prevent slips during use.
- Be cautious when adjusting the shooting yoke to avoid pinching fingers.

Instructions for Installation and Usage

1. Unpacking the Tripod

- Carefully remove the tripod from its packaging.
- Inspect all parts to ensure they are present and undamaged.

2. Setting Up the Tripod

- Extend the legs of the tripod to the desired height.
- Ensure all external twist locks are securely tightened.
- Position the tripod on stable, level ground.

3. Using the Tripod

- Adjust the shooting yoke to your preferred angle for optimal shooting position.
- Ensure that the bipod design provides two solid points of contact with the ground.
- Maintain a firm grip on the foam handle while aiming and shooting.

4. Packing Away the Tripod

- After use, carefully collapse the tripod.
- Ensure all parts are clean and free from debris before storage.
- Store the tripod in a dry place, away from extreme temperatures.

Disposal Instructions

- Dispose of the tripod in accordance with local regulations.
- If the tripod is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the product in household waste. Check for local recycling programs.

Contact Information for Further Support

For any questions or concerns regarding the DeadShot® Tripod, please contact the manufacturer or your local distributor for assistance. Always ensure that you have the product details available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience while using your DeadShot® Tripod. Thank you for prioritizing safety and compliance with EU regulations.
