

# Bantam Tripod

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The Bantam Tripod is designed for hunters who refuse to be slowed down by unnecessary weight. Whether you're glassing wide-open valleys out West or sitting patiently in a blind for Whitetail, it delivers dependable stability without added bulk. Weighing just 2.1 lbs, it's light enough to take anywhere. With an adjustable height range from 20" to 42", Arca-Swiss® compatibility, and quiet twist-lock legs, it offers fast, smooth, and versatile setup. Large rubber feet provide secure traction on any terrain, while its compact, packable design keeps you mobile, efficient, and ready for the moment that counts.

# Bantam Tripod Safety Instruction Guide

## Introduction

Thank you for choosing the Bantam Tripod, designed for hunters who prioritize lightweight and portable equipment without sacrificing stability. This safety instruction guide provides essential information to ensure your safe use of the Bantam Tripod, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Bantam Tripod by following the guidelines set forth in this manual. This product is designed to meet safety requirements and minimize risks during use.
- **Enhanced Recalls:** Stay informed about any potential recalls. If you receive a recall notice, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements. Verify product authenticity and check for safety certifications.
- **Special Consumer Focus:** Extra care should be taken when children are present. Keep the tripod out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware that updates on unsafe products are communicated through the Safety Gate system. Regularly check for any alerts regarding the Bantam Tripod.

## Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the weight limit specified for the tripod to prevent instability and potential accidents.
- **Surface Stability:** Always set up the tripod on stable, flat surfaces to ensure balance and prevent tipping.
- **Weather Conditions:** Avoid using the tripod in extreme weather conditions (e.g., high winds, heavy rain) that may compromise stability.
- **Leg Locking Mechanism:** Ensure that the twistlock legs are securely fastened before use to prevent collapse.
- **Adjustable Height:** When adjusting the height, do so gradually and ensure that all legs are evenly extended to maintain balance.
- **Transport Safely:** When transporting the tripod, collapse it fully and secure it to prevent accidental opening or damage.

## Instructions for Installation and Usage

### 1. Unpacking the Tripod:

- Carefully remove the Bantam Tripod from its packaging.
- Inspect the tripod for any visible damage or defects before use.

### 2. Setting Up the Tripod:

- Locate the adjustable height mechanism and twistlock legs.
- To extend the legs:
  - Twist the lock counterclockwise to unlock.
  - Pull the leg to the desired height.
  - Twist the lock clockwise to secure.
- Repeat for all three legs, ensuring they are set to the same height for stability.

### 3. Using the Tripod:

- Position the tripod on a stable surface.
- Secure your equipment (e.g., camera, binoculars) to the tripod mount.
- Ensure that the equipment is balanced and does not exceed the weight limit.

### 4. Adjusting Height and Angle:

- Adjust the height as needed by repeating the extension steps.
- If your equipment requires angling, carefully tilt the mounted equipment while ensuring the tripod remains stable.

### 5. Packing Up the Tripod:

- When finished, remove any equipment from the tripod.
- Collapse each leg by twisting the locks counterclockwise and pushing the legs inward.
- Store the tripod in a safe, dry place.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the Bantam Tripod in accordance with local regulations regarding plastic and metal waste.
- **Recycling:** If possible, recycle parts of the tripod to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the Bantam Tripod, please refer to the manufacturer's contact information provided with your product packaging or on the manufacturer's website. Your safety and satisfaction are our priority.

Thank you for your attention to these safety instructions. Enjoy your experience with the Bantam Tripod!
