

TIMBR Core Laminate - MDT Chassis - TIMBR Core Laminate - Ruger American - SA - RH - GMC

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT TIMBR CORE is what happens when you stop choosing between beauty and performance.

Crafted from solid walnut and built around MDT's proven aluminum micro-chassis, it combines timeless craftsmanship with modern precision engineering. On the outside, you get the warmth, character, and unmistakable presence of real wood. On the inside, you get a rigid, performance-driven backbone designed to deliver consistency shot after shot.

Every TIMBR CORE is made from genuine natural walnut, meaning no two stocks are ever the same. The grain, the tone, the finish — each one is 100% unique. This isn't just another rifle stock. It's your rifle stock.

At its core lies an integrated aluminum micro-chassis featuring a V-block bedding system. Your action locks into place with precision and zero guesswork. No traditional bedding. No gunsmithing required. Just torque it down and you're ready to shoot. The result is a precise action fit, minimal flex, and repeatable accuracy you can rely on in the field or at the range.

From whitetail woods to weekend range sessions, the TIMBR CORE delivers the warmth of wood with the repeatability of metal. Ergonomic refinements inspired by MDT's chassis systems — including optimized grip angles, adjustable LOP spacers, and improved geometry — enhance comfort and control without sacrificing the classic look and feel of a traditional wood stock.

Safety Instruction Guide for MDT TIMBR Core Laminate MDT Chassis

Introduction

Thank you for choosing the MDT TIMBR Core Laminate MDT Chassis. This product combines traditional craftsmanship with modern engineering to enhance your shooting experience. To ensure safe and effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model and configuration.
- Always follow the manufacturer's instructions for installation and usage.
- Store the product in a safe and dry place when not in use.
- Regularly inspect the product for any signs of damage or wear.
- Use only compatible accessories and components with this chassis.
- Be aware of your surroundings and follow local laws and regulations regarding firearms.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded.
- Never point your firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until ready to shoot.
- Ensure that the firearm is pointed in a safe direction during installation and adjustment.
- Be cautious when adjusting the chassis components; ensure they are secure before use.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation

- Ensure that you have the correct tools required for installation.
- Remove the existing stock from your Ruger American rifle.
- Align the action of your rifle with the integrated aluminum microchassis of the MDT TIMBR Core.
- Secure the action using the Vblock bedding system, ensuring it locks into place without any movement.
- Torque down the screws according to the manufacturer's specifications.

2. Usage

- Adjust the length of pull (LOP) spacers to fit your preference for comfort and control.
- Familiarize yourself with the grip angles and ensure a proper hold before shooting.
- Regularly check the tightness of all screws and components before each use.
- Practice safe shooting habits at all times, including wearing appropriate eye and ear protection.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's official website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT TIMBR Core Laminate MDT Chassis. Always prioritize safety and adhere to local laws when handling firearms. Thank you for your attention to these important guidelines.
