

TIMBR Core Laminate - MDT Chassis - TIMBR Core Laminate - Tikka T3X - SA - RH - GMC

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT TIMBR CORE is what happens when you stop choosing between beauty and performance.

Crafted from solid walnut and built around MDT's proven aluminum micro-chassis, it combines timeless craftsmanship with modern precision engineering. On the outside, you get the warmth, character, and unmistakable presence of real wood. On the inside, you get a rigid, performance-driven backbone designed to deliver consistency shot after shot.

Every TIMBR CORE is made from genuine natural walnut, meaning no two stocks are ever the same. The grain, the tone, the finish — each one is 100% unique. This isn't just another rifle stock. It's your rifle stock.

At its core lies an integrated aluminum micro-chassis featuring a V-block bedding system. Your action locks into place with precision and zero guesswork. No traditional bedding. No gunsmithing required. Just torque it down and you're ready to shoot. The result is a precise action fit, minimal flex, and repeatable accuracy you can rely on in the field or at the range.

From whitetail woods to weekend range sessions, the TIMBR CORE delivers the warmth of wood with the repeatability of metal. Ergonomic refinements inspired by MDT's chassis systems — including optimized grip angles, adjustable LOP spacers, and improved geometry — enhance comfort and control without sacrificing the classic look and feel of a traditional wood stock.

MDT TIMBR Core Laminate MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the MDT TIMBR Core Laminate MDT Chassis for your Tikka T3X rifle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully to understand the safety measures and proper handling of your rifle chassis.

General Safety Guidelines

- Always treat your rifle as if it is loaded, even when it is not.
- Store your rifle and chassis in a secure location, out of reach of children and unauthorized users.
- Inspect your chassis and rifle regularly for any signs of wear or damage.
- Use only compatible components and accessories with your MDT TIMBR Core Laminate chassis.
- Ensure that you are familiar with the operation of your rifle before using it.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the action of your rifle is open and the chamber is empty before attaching or detaching the chassis.
- Avoid placing your fingers on the trigger until you are ready to fire.
- Use proper eye and ear protection when shooting.
- Do not modify the chassis or any components without consulting a qualified gunsmith.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use the chassis only for its intended purpose with the Tikka T3X rifle.

Instructions for Installation and Usage

1. Installation of the MDT TIMBR Core Chassis:

- Ensure you have all necessary tools and components before starting the installation.
- Remove the existing stock from your Tikka T3X rifle.
- Align the action of the rifle with the integrated aluminum microchassis.
- Secure the action using the Vblock bedding system provided in the chassis.
- Torque down the screws to the manufacturer's specifications to ensure a secure fit.

2. Usage of the MDT TIMBR Core Chassis:

- Adjust the Length of Pull (LOP) spacers to fit your personal preference for comfort.
- Familiarize yourself with the grip angles and ergonomics of the chassis for optimal control.
- Conduct a function check to ensure proper operation before heading to the range.
- Practice safe handling and shooting techniques during all shooting sessions.

Disposal Instructions

- Dispose of the MDT TIMBR Core Laminate chassis in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Ensure that any firearms or components are disposed of safely and securely.

Contact Information for Further Support

For any questions or concerns regarding the MDT TIMBR Core Laminate MDT Chassis, please refer to the product packaging or visit the manufacturer's website for support and additional resources.

By following these guidelines, you can enjoy the performance and beauty of your MDT TIMBR Core Laminate chassis while ensuring safe usage. Thank you for your attention to these important safety instructions.
