

LSS Gen3 - MDT Chassis - LSS Gen3 - Ruger 10/22 - RH - FDE - B

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Base is where true customization begins. This stripped-down chassis provides the essential core of your rifle, giving you complete freedom to build exactly the setup you want. Whether you're configuring a competition rig, a lightweight hunting rifle, or a tactical platform, the LSS GEN3 Base is the foundation for a precision build tailored to your mission.

Start with the LSS GEN3 Base and select your preferred forend, buttstock interface, buttstock, and grip. Every component is your choice, allowing you to fine-tune ergonomics, balance, and performance from the ground up. This isn't a pre-defined kit—it's a blank canvas built for serious shooters who know what they want.

The flexibility doesn't stop at the initial build. Want to transform a lightweight hunting setup into a fully weighted competition rifle? Swap the forend and add weights. Need improved ergonomics or a different shooting position? Change the buttstock. As your shooting style evolves, your rifle evolves with you.

With compatibility across multiple forends, buttstock interfaces, and a wide range of accessories, the LSS GEN3 Base gives you the freedom to adapt without replacing your entire system.

MDT LSS Gen3 MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSS Gen3 MDT Chassis for your Ruger 10/22. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always handle the chassis and rifle with care to prevent accidents and injuries.
- Ensure that the rifle is unloaded before making any adjustments or modifications.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Regularly inspect the chassis and components for wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms.
- If you notice any irregularities during use, cease operation immediately and consult a professional.

Specific Safety Precautions for Use

- Ensure that all components are securely attached before using the chassis.
- Only use components and accessories that are compatible with the MDT LSS Gen3 chassis.
- Avoid using the chassis in extreme weather conditions that may affect performance.
- Do not exceed the manufacturer's specified weight limits for accessories and attachments.
- Always use proper eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Begin by ensuring the rifle is unloaded.
- Remove the existing stock from your Ruger 10/22.
- Align the MDT LSS Gen3 chassis with the rifle's action and secure it using the provided screws.
- Tighten the screws to the manufacturer's recommended torque specifications.

2. Customizing the Setup:

- Select your preferred forend, buttstock interface, buttstock, and grip.
- Follow the manufacturer's instructions for attaching each component.
- Make sure all components are securely fastened.

3. Adjusting for Comfort and Performance:

- Adjust the buttstock and grip to fit your shooting style.
- Test the setup in a safe environment to ensure comfort and performance.
- Make further adjustments as needed to optimize ergonomics and balance.

4. Safety Checks:

- After installation, perform a safety check to ensure everything is functioning correctly.
- Confirm that the rifle is unloaded before conducting any safety checks.

Disposal Instructions

- Dispose of the chassis and any components responsibly at a designated waste disposal facility.
- Follow local regulations for the disposal of firearm-related products.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product support, please consult your local retailer or the manufacturer's website for additional information.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT LSS Gen3 MDT Chassis. Stay safe!
