

LSS Gen3 - MDT Chassis - LSS Gen3 - Ruger American - SA - LH - FDE - B

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Base is where true customization begins. This stripped-down chassis provides the essential core of your rifle, giving you complete freedom to build exactly the setup you want. Whether you're configuring a competition rig, a lightweight hunting rifle, or a tactical platform, the LSS GEN3 Base is the foundation for a precision build tailored to your mission.

Start with the LSS GEN3 Base and select your preferred forend, buttstock interface, buttstock, and grip. Every component is your choice, allowing you to fine-tune ergonomics, balance, and performance from the ground up. This isn't a pre-defined kit—it's a blank canvas built for serious shooters who know what they want.

The flexibility doesn't stop at the initial build. Want to transform a lightweight hunting setup into a fully weighted competition rifle? Swap the forend and add weights. Need improved ergonomics or a different shooting position? Change the buttstock. As your shooting style evolves, your rifle evolves with you.

With compatibility across multiple forends, buttstock interfaces, and a wide range of accessories, the LSS GEN3 Base gives you the freedom to adapt without replacing your entire system.

MDT LSS Gen3 MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSS Gen3 MDT Chassis for your Ruger American rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your chassis. Please read this document carefully before installation and use to maximize safety and performance.

General Safety Guidelines

- Ensure that the MDT LSS Gen3 MDT Chassis is compatible with your specific model of Ruger American rifle before installation.
- Always handle firearms safely and responsibly. Treat every firearm as if it is loaded.
- Keep the chassis and all firearms out of reach of children and unauthorized users.
- Regularly inspect your chassis and associated components for wear or damage. Replace any damaged parts immediately.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Always wear appropriate safety gear, including eye and ear protection, when using your rifle.
- Be aware of your surroundings and ensure a safe shooting environment when using your rifle.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the firearm is unloaded before beginning installation.
- Use proper tools and follow the installation instructions carefully to avoid injury.

• Operational Precautions:

- Do not exceed the manufacturer's recommended specifications for weight and accessories.
- Be cautious when swapping components; ensure that all parts are securely attached before use.

• Storage Precautions:

- Store the chassis and rifle in a secure location to prevent theft or unauthorized access.
- Keep the chassis clean and free from debris to maintain optimal performance.

• User Warnings:

- This product is intended for adult use. Keep it away from children and inexperienced users.
- Ensure that anyone using the rifle is trained in safe firearm handling practices.

Instructions for Installation and Usage

1. Installation:

- Unload your Ruger American rifle and ensure it is safe to handle.
- Remove the existing stock from the rifle according to the manufacturer's instructions.
- Align the MDT LSS Gen3 MDT Chassis with the rifle's action and secure it using the provided screws.
- Attach your chosen forend, buttstock interface, buttstock, and grip as per the manufacturer's

guidelines.

- Ensure all components are tightly secured and perform a final check before use.

2. Usage:

- Once installed, check the alignment and functionality of all components.
- Familiarize yourself with the feel and balance of the rifle before engaging in any shooting activities.
- Adjust the buttstock and grip to your preferred settings for comfort and performance.
- Always ensure that the rifle is pointed in a safe direction when loading and unloading.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- When disposing of the chassis or any firearm components, ensure they are rendered unusable to prevent misuse.
- Check with local authorities for specific disposal guidelines related to firearms and firearm accessories.

Contact Information for Further Support

For safety inquiries and additional support regarding the MDT LSS Gen3 MDT Chassis, please refer to the manufacturer's website or contact their customer service department. Always ensure that you are following the latest safety guidelines and recommendations.
