MDT Core Bottom Metal Safety Instructions

Introduction

Thank you for choosing the MDT Bottom Metal Pillar Kit for your Remington 700 rifle. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms responsibly and in compliance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or issues, do not use the product until it has been repaired or replaced.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to misalignment, affecting accuracy.
 - Failure to secure the bottom metal properly can result in accidents during use.
- **Avoiding Hazards:**
 - Always ensure that the rifle is unloaded before installation.
 - Use the appropriate tools as specified in the installation instructions.
 - Do not attempt to modify or alter the product in any way.
 - Be cautious of sharp edges during installation.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and welllit.
- Gather all necessary tools for installation, including a screwdriver and any specified tools in the product manual.

2. Installation Steps:

- Remove the existing bottom metal from your Remington 700 rifle.
- Align the MDT Bottom Metal with the action of the rifle.
- Secure the bottom metal using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Check for proper alignment and fit before proceeding to use the rifle.

3. Usage Instructions:

- After installation, conduct a function test to ensure that the rifle operates correctly.
- Regularly check the tightness of the screws and the overall integrity of the bottom metal.
- Store the rifle in a safe and secure location when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer usable, dispose of it in a responsible manner, ensuring that it does not pose a risk to the environment.

- Check with local waste management services for proper disposal methods for metal components.

Contact Information for Further Support

For any questions or concerns regarding safety or product usage, please reach out to the manufacturer directly through the provided contact points available on the product packaging or the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your MDT Bottom Metal Pillar Kit. Thank you for your attention to safety and enjoy your shooting experience!
