

CRBN - MDT Chassis - CRBN Stock - Tikka T3X - SA - RH - Fixed - ARCA - Highland Green and Flat Dark Earth

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

MDT CRBN MDT Chassis CRBN Stock Safety Instruction Guide

Introduction

Thank you for choosing the MDT CRBN MDT Chassis CRBN Stock for your Tikka T3X rifle. This safety instruction guide is designed to provide you with essential information to ensure safe usage, installation, and disposal of the product. Please read this guide carefully to understand the safety precautions and best practices.

General Safety Guidelines

- **Product Safety:** Ensure that you use the MDT CRBN Stock in accordance with the guidelines provided. This product is designed for safe use, but improper handling can lead to accidents.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall occurs, follow the instructions provided for returning or exchanging the product.
- **Online Shopping:** When purchasing online, verify that the seller complies with EU safety requirements to ensure product safety.
- **Special Consumer Focus:** Extra care should be taken to keep this product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries or concerns, please contact the relevant EU-based authorities.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on any safety issues related to this product.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors do not handle or use the product.
- **Proper Handling:** Always handle the rifle stock with care. Avoid dropping or exposing it to extreme conditions that may affect its integrity.
- **Inspection Before Use:** Inspect the MDT CRBN Stock for any damage or defects before use. If any issues are found, do not use the product and contact support.
- **Stability Checks:** Ensure that the rifle is securely mounted in the stock before attempting to shoot. Check that all screws and fittings are tightened properly.
- **Safe Shooting Practices:** Always follow basic firearm safety rules, including pointing the rifle in a safe direction and ensuring the area is clear of obstructions and people.

Instructions for Installation and Usage

1. Installation:

- Begin by ensuring that your rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from your Tikka T3X rifle according to the manufacturer's instructions.
- Align the MDT CRBN Stock with the rifle's action and insert the action into the magnesium micro chassis.
- Secure the action using the Vblock bedding system, ensuring a snug fit.
- Tighten all screws and fittings using the appropriate tools, ensuring that the stock is firmly attached.

2. Usage:

- Adjust the length of pull using the spacers provided to fit your personal comfort.
- Utilize the integrated thumb shelf for better grip and control while shooting.
- Attach the QD slings to the front and rear QD cups for optimal support during use.

- Use the ARCA rail and MLOK slots to mount any additional accessories, such as bipods or tripods, as needed.

3. **PostUse Care:**

- After use, clean the MDT CRBN Stock with a soft cloth to remove any debris or moisture.
- Store the stock in a cool, dry place to prevent damage from environmental factors.

Disposal Instructions

- **Disposal of Product:** When the MDT CRBN Stock reaches the end of its life, dispose of it in accordance with local regulations.
- **Recycling:** If possible, recycle the carbon fiber material according to your local recycling guidelines.
- **Environmental Considerations:** Do not dispose of the product in regular household waste. Check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any further assistance or inquiries regarding the MDT CRBN MDT Chassis CRBN Stock, please refer to your local dealer or the manufacturer's official website for support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT CRBN MDT Chassis CRBN Stock. Always prioritize safety and remain informed about best practices for firearm handling and maintenance.
