

SEND IT GEN2 Level - MDT Accessories - Spuhr to V-Mount 90 - BLK

MDT M-LOK and SPUHR V-Mount Adapters Enhance the positioning of your precision electronics for maximum accuracy. The MDT V-Mount Adapters allow you to vertically mount your MDT SEND IT GEN2 (V-Mount compatible version) directly to your rifle using either a standard M-LOK interface or SPUHR mounts.

These adapters provide a clean, stable integration, ensuring your electronic level remains within your line of sight without obstructing your view through the optic.

Vertical Mounting: Perfect for shooters who prefer to mount their level on the side of the forend or directly onto the scope mount.

Two Mounting Options: Available for the widely used M-LOK system or for direct attachment to SPUHR interfaces.

Durable Construction: Machined from high-quality anodized aluminum for maximum durability in professional environments.

Ultra-Lightweight: Weighing only about 0.5 oz, these adapters add minimal bulk to your competition or hunting setup.

Safety Instruction Guide for SEND IT GEN2 Level MDT Accessories Spuhr to VMount 90 BLK

Introduction

Thank you for choosing the SEND IT GEN2 Level MDT Accessories. This guide provides essential safety instructions to ensure the safe use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the product by following all instructions in this guide.
- **Enhanced Recalls:** Be aware of standardized recall notices. Check for updates regularly.
- **Online Shopping:** If purchased online, ensure that the seller meets safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU-based contact.
- **Rapid Alerts:** Stay informed about unsafe products through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to equipment failure or accidents.
 - Ensure that the product is compatible with your rifle and scope mount.
- **Avoiding Hazards:**
 - Always double-check the installation before use.
 - Do not exceed the weight limit of the mounting system.
 - Ensure that the product does not obstruct your line of sight through the optic.
- **Audience-Specific Warnings:**
 - This product is intended for use by adults. Keep out of reach of children.
 - Ensure that all users are trained in the safe handling of firearms.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your rifle is unloaded and pointed in a safe direction.
 2. Select the appropriate mounting interface (MLOK or SPUHR) for your setup.
 3. Align the VMount adapter with the mounting interface.
 4. Secure the adapter using the provided hardware, ensuring it is tightly fastened.
 5. Verify the stability of the installation before proceeding.
- **Usage:**
 - Once installed, check the positioning of the electronic level to ensure it is within your line of sight.
 - Regularly inspect the adapter for signs of wear or damage.
 - If any issues arise, cease use immediately and consult a professional.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for recycling options in your area to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the SEND IT GEN2 Level MDT Accessories, please refer to your retailer or the designated EU contact for support.

Thank you for prioritizing safety while using the SEND IT GEN2 Level MDT Accessories. Your adherence to these guidelines ensures a secure and enjoyable experience.
