

SEND IT GEN2 Level - MDT Accessories - M-LOK to V-Mount 90 - BLK

MDT M-LOK and SPUHR V-Mount Adapters Enhance the positioning of your precision electronics for maximum accuracy. The MDT V-Mount Adapters allow you to vertically mount your MDT SEND IT GEN2 (V-Mount compatible version) directly to your rifle using either a standard M-LOK interface or SPUHR mounts.

These adapters provide a clean, stable integration, ensuring your electronic level remains within your line of sight without obstructing your view through the optic.

Vertical Mounting: Perfect for shooters who prefer to mount their level on the side of the forend or directly onto the scope mount.

Two Mounting Options: Available for the widely used M-LOK system or for direct attachment to SPUHR interfaces.

Durable Construction: Machined from high-quality anodized aluminum for maximum durability in professional environments.

Ultra-Lightweight: Weighing only about 0.5 oz, these adapters add minimal bulk to your competition or hunting setup.

SEND IT GEN2 Level MDT Accessories MLOK to VMount 90 BLK Safety Instruction Guide

Introduction

Thank you for choosing the SEND IT GEN2 Level MDT Accessories MLOK to VMount 90 BLK. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the product.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any signs of damage or wear before each use.
- Only use the product with compatible equipment as specified in the product description.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify the product in any way that could compromise its safety or performance.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the mounting surfaces are clean and free from debris before installation.
- Avoid excessive force when tightening mounting screws to prevent damage to the product or the firearm.
- When mounting the device, ensure that it does not obstruct your line of sight through the optic.
- Do not attempt to use the product if you notice any defects or if it does not fit securely to your firearm.
- Always follow safe firearm handling practices while using the product.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver compatible with the mounting screws.
- Ensure that your rifle is unloaded and pointed in a safe direction during installation.

2. Installation:

- Locate the MLOK slots on your rifle's forend or the SPUHR interface on the scope mount.
- Align the MDT VMount Adapter with the MLOK slots or SPUHR interface.
- Insert the screws provided with the adapter into the appropriate slots.
- Use the screwdriver to tighten the screws securely, ensuring that the adapter is stable but not overtightened.

3. Usage:

- Once installed, attach your MDT SEND IT GEN2 device to the VMount Adapter.
- Adjust the positioning of your device to ensure it is within your line of sight.
- Regularly check the stability of the mount during use to ensure it remains secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact your local waste disposal authority for guidance on

proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the SEND IT GEN2 Level MDT Accessories, please refer to the manufacturer's contact information or your point of purchase.

Important Note

This product is designed for use by individuals who are familiar with firearms and their accessories. If you are inexperienced, seek guidance from a qualified professional before use. Always prioritize safety and responsible handling when using any firearmrelated equipment.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the SEND IT GEN2 Level MDT Accessories.
