

Slingshot - Hand Cannon - XL Handle - BLK

The MDT Hand Cannon takes a familiar childhood classic and redefines it as a true precision instrument. Precision-machined from anodized aluminum and built around a fully modular design, it supports interchangeable grips, sights, and accessories—allowing you to configure the platform exactly to your shooting style and use case.

Whether you're competing, casually plinking, refining your accuracy on targets, or spending time shooting outdoors with friends, the MDT Hand Cannon is engineered for control, consistency, and repeatable performance. Its rigid CNC-machined aluminum body eliminates flex, ensuring every release feels predictable and precise—no guesswork, just aim, anchor, and release.

A rotatable ambidextrous mounting system supports multiple handle configurations, giving you complete freedom over grip angle and ergonomics. Choose from pinch grips, thumb supports, hammer grips, or full palm-swell handles to build anything from a compact, pocket-friendly setup to a fully equipped, sighted platform with AR-style pistol grips.

Designed for shooters who demand precision, adaptability, and performance, the MDT Hand Cannon delivers a customizable experience that evolves with your skill and style.
