Safety Instruction Guide for Sizing Die Spindle M8/M6 L=135mm

Introduction

Thank you for choosing the Sizing Die Spindle M8/M6 L=135mm. This precisionmade spindle is designed for reliable reloading performance. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of damage or wear.
- If the product appears damaged, discontinue use immediately.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recalls or safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the spindle is compatible with your specific sizing dies before use.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the spindle and dies.
- Avoid using excessive force when installing or removing the spindle to prevent injury or damage.
- Do not modify the spindle or use it for purposes other than intended.
- Store the spindle in a dry, secure location when not in use to prevent accidents.

Instructions for Installation and Usage

1. **Compatibility Check:** Verify that the spindle is suitable for your specific sizing dies (original dies from Triebel Waffenwerkzeuge).
2. **Preparation:**
 - Gather all necessary tools for installation.
 - Ensure your work area is clean and welllit.
3. **Installation:**
 - Align the spindle with the sizing die.
 - Handtighten the spindle into place, ensuring it is secure but not overtightened.
4. **Usage:**
 - Follow the die manufacturer's instructions for reloading procedures.
 - Monitor the spindle during use for any signs of wear or malfunction.
5. **PostUsage Care:**
 - After use, clean the spindle to remove any debris or residue.
 - Store the spindle in a protective case to prevent damage.

Disposal Instructions

- Dispose of the spindle in accordance with local regulations regarding metal waste.
- Do not dispose of the spindle in regular household waste.
- If the spindle is damaged beyond repair, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact details provided on the product packaging or the manufacturer's website.
